Trump fires FBI Director James Comey

'Today will mark a new beginning for our crown jewel of law enforcement,' Trump said in a statement.

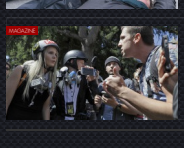
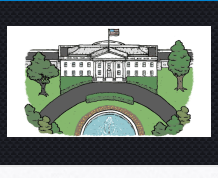
Republicans war over taxes

Left adopts shock tactics in Obamacare repeal fight



Why liberals aren't as tolerant as they think

POLITICO EXCLUSIVE



Who has Trump's ear? Often rich, white, Republican men.

POLITICO has compiled the first searchable, publicly accessible database of Donald Trump's meetings as president. Among those with access to Trump include hundreds of business execs and politicians, 47 foreign leaders and others, from pro golfers to rocker Ted Nugent. You won't find this information in the White House visitors' log — because the administration has declined to make it public.
