

What's News

GOP Leaders and Trump Work to Gain Health-Bill Votes

President Trump and House GOP leaders worked to strike last-minute deals with wavering House Republicans as part of their third high-profile push to pass legislation replacing most of the Affordable Care Act.

Health-Care Holdouts in the House

House Passes Spending Bill That Excludes Some Trump Priorities

The House passed a \$1.1 trillion bill to fund the government, a big step toward avoiding a government shutdown. The Senate is also expected to pass the legislation, which is being touted as a win by both parties but excludes a number of President Donald Trump's top priorities.

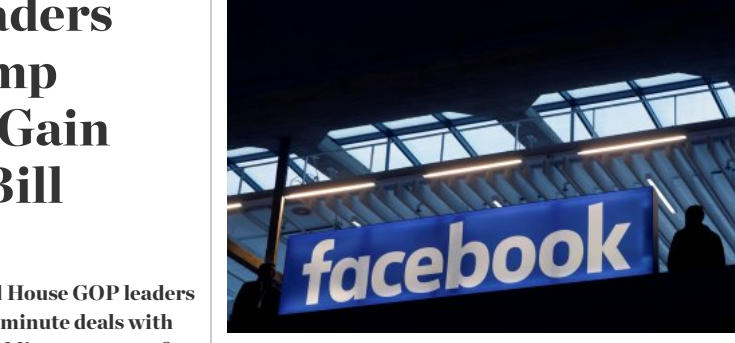

Comey Defends Handling of Clinton Email Investigation

FBI Director James Comey defended his decision to alert Congress about a reopened probe into Hillary Clinton's emails shortly before the election, but said it made him "mildly nauseous" to think it might have affected the vote.

Tesla Posts Wider Loss Despite Doubling Its Revenue

The company's automotive business was helped by a 69% increase in the sale of Model S sedans and Model X sport-utility vehicles during the quarter.

Facebook Revenue Surges, Fueled by Mobile

Facebook reported another surge in revenue in the first quarter, as more advertisers flocked to the platform despite questions about its video-ad performance and handling of violent, graphic content.

Puerto Rico Placed Under Bankruptcy Protection

Puerto Rico is requesting bankruptcy protection, Gov. Ricardo Rosselló said, setting up a showdown with Wall Street firms owed billions of dollars in the largest-ever U.S. municipal debt restructuring and further complicating the U.S. territory's efforts to pull itself out of a financial mess.

- Who Is Most Exposed to Puerto Rico's Bankruptcy?

Fed Remains on Track for Two More Rate Rises in 2017

The Federal Reserve held interest rates steady and indicated recent softness in economic data wouldn't alter plans for gradual interest rate increases this year. Officials pointed to continued strengthening in the labor market and firmer spending from businesses.

Anadarko Tried to Be a Good Neighbor. Then a Home Exploded

Anadarko's CEO said Wednesday he was 'saddened by tragic events' after a fatal gas blast was linked to a nearby natural-gas well. The oil and gas company's shares fell 9%.

Google Parent: Uber Aimed to Buy Engineer's Startup While He Worked for Us

Alphabet presented documents in court to argue there was collusion between Uber and engineer Anthony Levandowski before he left Waymo for Uber's self-driving car program.

China to Start Security Checks on Technology Companies in June

China will launch new security reviews on foreign and domestic technology suppliers starting June 1, implementing a key element of its new cybersecurity law aimed at tightening state control over technology and information.

Verizon Strikes Exclusive Deal With NFL for Streaming Game

The NFL has struck a deal with Verizon to stream one regular-season game in the coming season, in a bet that distributing the matchup free for consumers over the internet will lure more users and advertising dollars to its platforms.
