Staples Explores Sale After Failed Office Depot Deal

Staples is exploring a sale, less than a year after its effort to merge with rival retailer Office Depot failed on antitrust grounds. The one-time "category killer" office-supplies seller is in talks with a small number of possible private-equity bidders, according to people familiar with the matter.

Sprint to End 50% Discount Plan

Sprint Corp. is dropping one of its most aggressive promotions: a long-running offer to charge half the price of certain rival plans to get customers to switch.

Boeing Agrees to First Plane Sale to Iran Under Trump

Boeing agreed to sell up to 60 of its most popular jets to an Iranian airline, doubling down on the country amid uncertainty over the Trump administration's tolerance for U.S. business dealings in Iran.

A Pimco Fund Just Became the Biggest Active Bond Fund, and It Wasn't Bill Gross's

Pimco's Income Fund had \$79.1 billion in assets under management as of March 31, one of several recent victories for the \$1.5 trillion money manager as it tries to move beyond the most tumultuous period in its history.

Jamie Dimon: Time to 'Open Up the Rulebook'

J.P. Morgan Chase CEO Jamie Dimon laid out his wishlist of regulatory changes in his annual shareholder letter, calling for simpler and better-coordinated rules that could help to spur more lending.

Fed's Tarullo Opens Door to Changes in Stress Tests

Daniel Tarullo, the Federal Reserve's regulatory guru, opened the door to significant policy changes on his penultimate day in office, outlining how the oversight regime might be altered to lower costs for large banks without endangering the economy.

House Approves Bill to Ease Employee Stock Rules

Startups and other privately held companies would have greater flexibility in awarding stock to employees without triggering what critics say are overly intrusive reporting requirements, under legislation passed by the U.S. House Tuesday.
