Picture of the Day

March 29, 2017

British Prime Minister Theresa May in the cabinet office signs the official letter to European Council President Donald Tusk invoking Article 50 and the United Kingdom's intention to leave the EU on March 28, 2017 in London, England. After holding a referendum in June 2016 the United Kingdom voted to leave the European Union; the signing of Article 50 now officially triggers that process.

Don't Call It a Comeback: Stephen King Is About to Be Everywhere Again

By Josh Herr

Stephen King has been a constant figure in pop culture for the better part of five decades. From his 1976 debut novel, *Carrie*, and its subsequent classic horror film through the recent Hulu time...

Flynn's Immunity Request May Not Be the Bombshell Everyone Thinks It Is

By Rob Garver

When the news broke on Thursday that former National Security Adviser Michael Flynn is seeking immunity to testify before Congress and the Federal Bureau of Investigation, it was treated like Sammy "...

Why 'Deep Subprime' Auto Loans Are Beginning to Worry Wall Street

By Ciro Scotti

Auto loans to consumers who have very low credit scores and may not have the means to pay them back are starting to worry Wall Street. The share of auto securities tied to "deep subprime" loans has...

Mounting Interest Costs Will Shrink Federal Revenues and Harm the Economy

By Eric Pianin

The mounting interest costs that the federal government pays on the public debt is rapidly eating away at government resources and could greatly restrict what future government leaders will be able...

The Billion Dollar Drug for Opioid Victims Has a Problem: It's Addictive

By Andrew L. Yarrow

Maryland Gov. Larry Hogan's executive order earlier this month, declaring the state's opioid addiction crisis a state of emergency, is yet another example of the state's leadership in addressing a...
