## Ex-NFL players push a new weapon to fight pain: Medical marijuana

For decades, football players have treated pain with postgame beers, over-the-counter anti-inflammatories and powerful prescription painkillers. But some see cannabis as an effective and safer alternative, and there’s a movement to change the way the drug is viewed and regulated within the NFL.

## Pulitzer Prize-winning reporting: Uncovering Trump

In February 2016, presidential candidate Donald Trump promised \$6 million in donations, including \$1 million from his own pocket, to charities along his campaign trail. Months later, he had donated far less than he pledged. Post reporter David A. Fahrenthold went in search of the missing money and found a bigger story than he ever expected.
