

Egyptian-American Aid Worker, Released From Cairo Jail, Returns To U.S.
Aya Hijazi and her Egyptian husband were accused of child abuse, but human rights groups called the charges specious and prosecutors offered no proof. The couple were jailed for nearly three years.

MUSIC
In The Wake Of Prince's Death
A year ago today, fans made a pilgrimage to Paisley Park, the home of Prince. What they found there was a communal altar, separated from the building by about 100 feet.

Finding Teachable Moments In The March For Science
Thousands of people will participate in Saturday's March for Science. We reached out to three experts on teaching and climate change to find out how the event — and its aftermath — can help engage young people.

THE SALT
Is It Safe To Eat Moldy Bread?
No, say food safety experts. Molds can easily penetrate deep into a soft food, like bread. But you can salvage other foods with tougher surfaces, like cabbages, carrots and hard cheeses.
