Oil Shortage Feared by 2020 as Discoveries Fall to Low

Global oil discoveries fell to a record low in 2016, the International Energy Agency says, raising fresh concerns about the potential for a petroleum-supply shortage.

ECB Keeps Interest Rates, Stimulus Program Unchanged

The European Central Bank left its interest rates and policy guidance unchanged, as expected, even as the eurozone economy shows increasing signs of recovery.

BOJ, Lowering Inflation Outlook, Fights Rate-Rise Speculation

The Bank of Japan left unchanged its ultraeasy monetary policy, saying inflation is lagging behind an earlier forecast, though it offered a more upbeat tone on the economy.

Deutsche Bank Woos Back Clients as It Recovers From Torrid Year

Deutsche Bank made progress winning back clients who fled over capital concerns as it recovered from a turbulent 2016, but first-quarter profit was muted by debt-trading revenue that lagged behind peers.

Earnings

Southwest Falls Short as Costs Rise

Southwest Airlines Co. earnings fell in the most recent quarter as rising costs continued to outpace revenue growth.

Comcast Results Top Expectations, Preps for Wireless Entry

Comcast's results offer a glimpse into why it's jumping into the wireless business: Consumers don't want a landline phone anymore, limiting the appeal of its lucrative "triple play" bundles.

AstraZeneca Profit Drops as Sales of Blockbusters Wane

U.K. drug maker AstraZeneca, battling declining sales of its blockbuster cholesterol pill, posted lower revenue and profit in the first quarter of the year.

Nintendo Has Bright Outlook on Expectations for Switch

Nintendo is forecasting that strong sales of its handheld-hybrid Switch console will lift profits to seven-year highs.

World

Explosion Rocks Damascus Airport

Israel neither confirms nor denies its involvement but a government minister says the blast is 'consistent' with Israel policy of preventing Iranian-supplied arms from reaching the Lebanese group Hezbollah.

Merkel Says Some Britons Expect Too Much From Brexit Talks

German Chancellor Angela Merkel warned that the U.K. risked "wasted time" because some people in the country suffered illusions over how well Britain could fare in talks about the country's exit from the European Union.

Buenos Aires Governor Breaks With Argentina's Past

María Eugenia Vidal, a 43-year-old governor, has become the face of President Mauricio Macri's efforts to dismantle the Peronist legacy that has dominated Argentine politics for the past seven decades.

U.S. Keeps Its Military Threat Alive While Pressing North Korea

The Trump administration said it is launching an urgent push, combining diplomatic pressure and the threat of military action in a bid to halt North Korea's advancing nuclear-weapons program.

Macron, Le Pen Clash at Closing Whirlpool Plant

French presidential candidates on Wednesday turned a Whirlpool Corp. factory threatened with closure into a impromptu stage for an ideological battle over how to revive the country's declining industrial might.

Acosta Confirmation Vote Could Happen This Week

If the U.S. Senate votes, as expected, to confirm Alexander Acosta as secretary of labor this week, all 15 cabinet secretaries would be in place before President Trump's 100th day in office.

GOP Health Bill Gains Traction

House Republicans are moving closer to agreement on a health-care overhaul but now face the task of persuading GOP centrists to agree to provisions that may raise costs for many people with pre-existing conditions.
