

The Fix Analysis

## Health-care plan could launch ugly battles in state legislatures

Even if a watered-down version of House Republicans' legislation becomes law, states are probably going to be on the hook for billions of dollars of health-care costs, especially for the poor and sick.

By Amber Phillips

The Take Analysis

## Can the GOP sell its proposal to a skeptical public?

Few people outside the House fully understand the fine print of the new bill, and it's likely many in the House aren't totally fluent on the contents either.

#### Pulitzer Prize-winning reporting: Uncovering Trump

In February 2016, presidential candidate Donald Trump promised \$6 million in donations, including \$1 million from his own pocket, to charities along his campaign trail. Months later, he had donated far less than he pledged. Post reporter David A. Fahrenthold went in search of the missing money and found a bigger story than he ever expected.
