Tracing Gun Violence Through Three Generations Of A Family

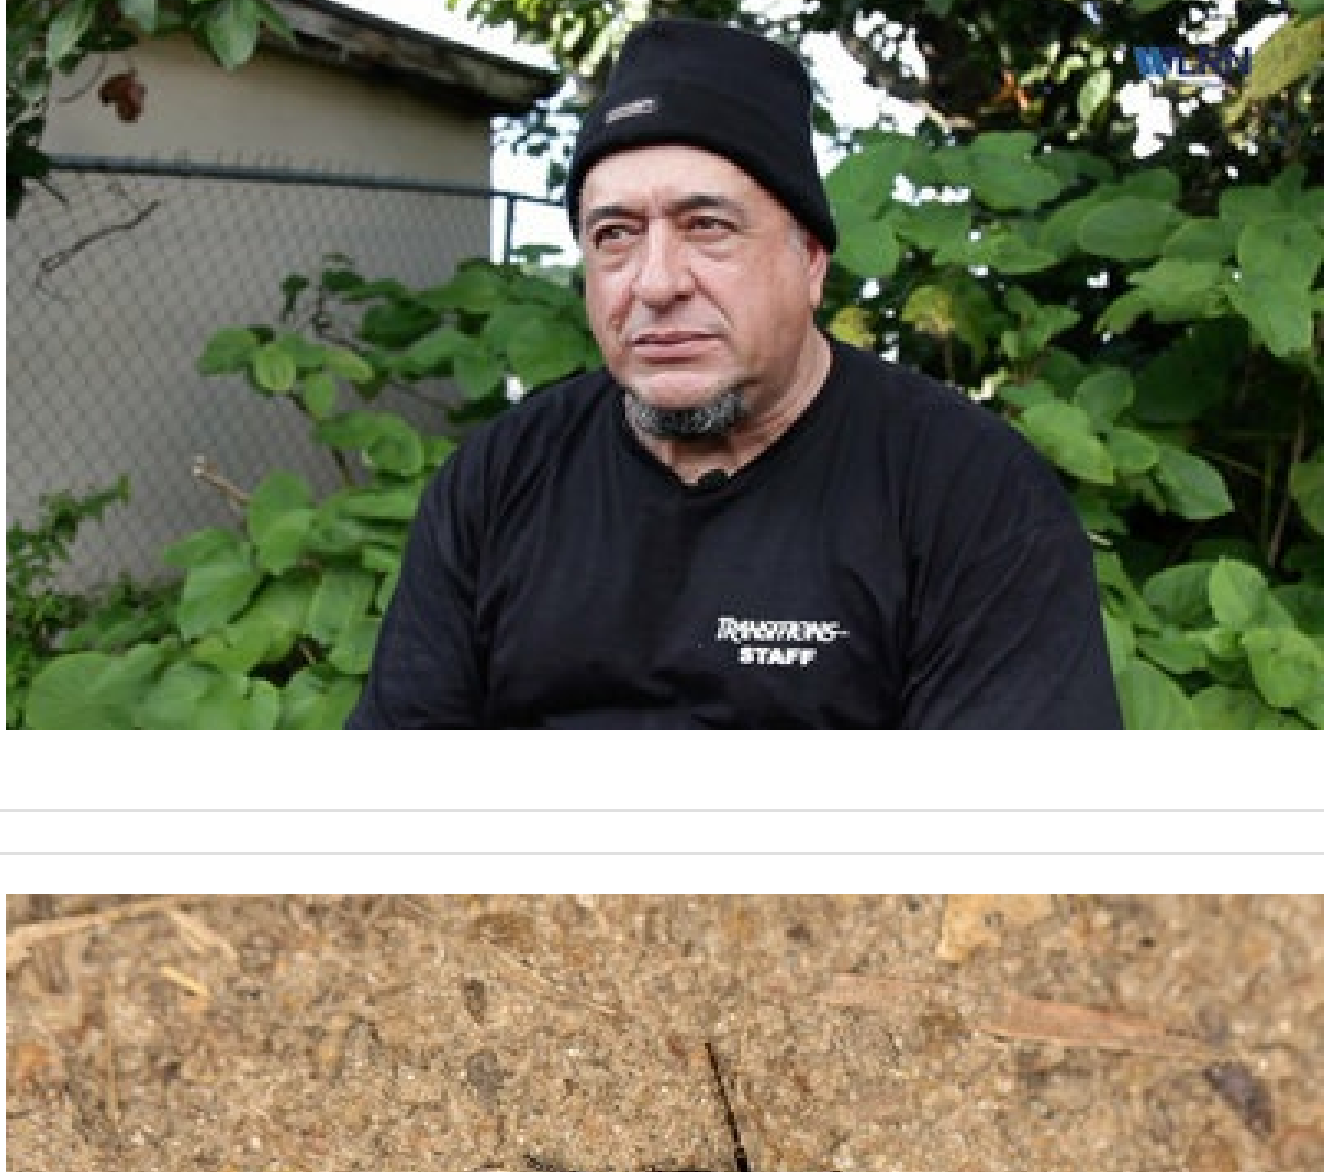

WLRN 91.3FM

Violent crime has been going down over the past few decades, but for some families, it still defines their daily lives as they cope with shootings and their aftermath.

No Ant Left Behind: Warrior Ants Carry Injured Comrades Home

Don't call it empathy, scientists say. These termite-eating ants only retrieve injured comrades on the way home from a hunt, not before. But the hurt ants do recover better at home — to fight again.
