**Can You Still Have Hope When Life Seems Hopeless?**

We interviewed Rohingya refugees in Bangladesh and asked about their hopes for the future. We were shaken by their answers.

Michael Sautter/Getty Images

**His Teacher Told Him He Wouldn't Go To College, Then He Did**

African-American students with disabilities are discouraged far more and graduate far less than their counterparts, researchers say. What needs to change to help more succeed?

**Dogs Are Doggos: An Internet Language Built Around Love For The Puppies**

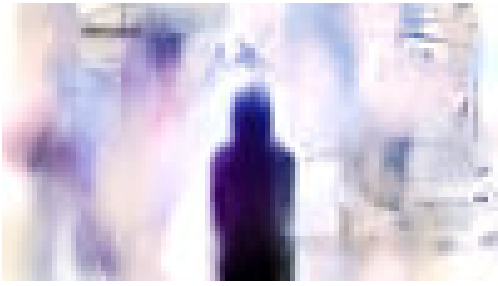

DoggoLingo is a rising language on the internet that's full of cutesy suffixes and onomatopoeias. It might even change the way you talk to your pet.

Shutterstock/Getty Images

**Chemo Scrambled My Brain**

After an incorrect dose of a chemotherapy drug for Crohn's disease caused Anna Webster's bone marrow to shut down, she decided that, if she survived, she'd write about her experience.

**Clashes Over Grazing Land In Nigeria Threaten Nomadic Herding**

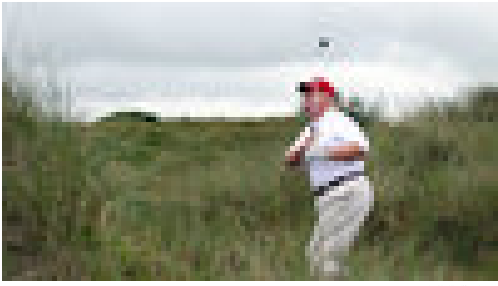

Nomadic herders who live across West Africa are having to travel further and further south for their cows to graze. Some are setting cover grass on cropland, leading to deadly conflicts with farmers.

Shutterstock/Getty Images

**Trump, The Gaffer in Chief**

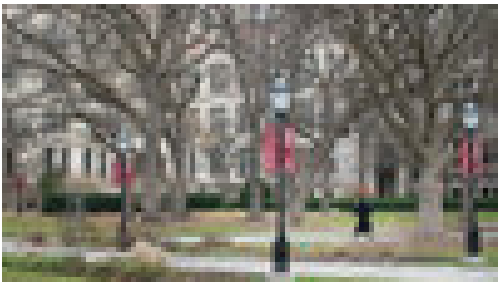

President Trump plays a lot of golf. But not nearly as much as Woodrow Wilson.

**More Than 100 Dead In Taliban Attack On Afghan Army Base**

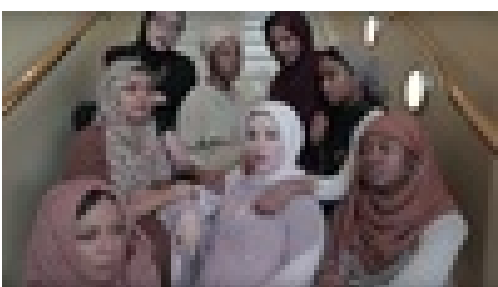

Taliban fighters killed the soldiers at a base in the northern part of the country, in one of the deadliest attacks on an Afghan base since the war began.

Shutterstock/Getty Images

**Hijabi Artist Channels Beyoncé For Debut Of Her 'Resistance Music' And Video**

Hana Kayser calls her music "resistance music" because it celebrates diversity and calls for women to be "unapologetic about who they are."

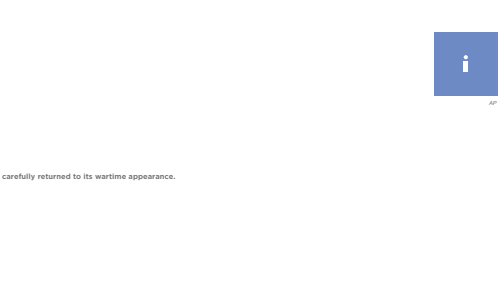

Shutterstock/Getty Images

**At 75, A World War II Legend Gets A Full Makeover**

At the Air Force Museum in Dayton, technicians and volunteers are restoring a unique piece of history. The B-17 bomber Memphis Belle is being carefully returned to its wartime appearance.

THE SALT

### Is It Safe To Eat Moldy Bread?

No, say food safety experts. Molds can easily penetrate deep into a soft food, like bread. But you can salvage other foods with tougher surfaces, like cabbages, carrots and hard cheeses.
