U.S. Hiring Expected to Pick Up After Slow Winter

The Labor Department releases its April jobs report Friday and economists expect hiring perked back up after a March slowdown. Economists surveyed by The Wall Street Journal expect the report will show nonfarm payrolls increased a seasonally adjusted 188,000 last month.

The Pentagon has, for the first time, dispatched its newest F-35A combat jet to exercise with allies near the Russian border, amid rising political tensions between Washington and Moscow. The WSJ's Robert Wall hitched a ride to take a closer look.

U.S. Jet Fighters Flex Muscle Amid Russia Tensions

The Pentagon has deployed its newest combat plane, the stealthy F-35A fighter, to Europe for a first overseas training mission in a show of allied strength intended in part to deter Russia.
