'We Believed Gen. Flynn Was Compromised,' Sally Yates Testifies

The former acting attorney general told a Senate subcommittee that she repeatedly informed the White House that former national security adviser Michael Flynn was engaging in "problematic" conduct. James Clapper, former director of national intelligence, also testified at the hearing.

GOP Health Bill Left Leaves Many 'Pre-Existing Condition' Protections Up To States

KBIA

Before the Affordable Care Act, people with pre-existing conditions often couldn't get health insurance — or paid sky-high premiums. The Republican bill passed by the House last week would let states decide.
