

## Trump remains the center of attention, but he’s increasingly isolated politically

Ahead of his 100th day in office later this month, Trump has struggled to build a governing coalition that matches the nontraditional alliance that put him in the Oval Office. And he has turned to making enemies out of former supporters among Republicans in Congress, even as Democrats keep him at arm’s length.

## Home stretch for Gorsuch’s Supreme Court nomination could forever alter the Senate

Lawmakers will embark on a final, and perhaps bitter, round of debate this week, and the GOP-controlled Senate will likely confirm Judge Neil Gorsuch — but only if it changes the chamber’s rules to end filibusters for high court selections.

### The Fix Analysis

## A ruling on Trump’s word choice: Speech that incites violence is not protected

A federal judge in Kentucky ruled against efforts to throw out a lawsuit that accused Donald Trump of inciting violence against protesters during a campaign rally in March 2016. The protesters, who were shoved and punched by Trump supporters, said the Republican repeatedly said, “Get ’em the hell out.”

Hall at home in Glendale, Calif. (Brinson+Banks for The Post)

## He has nearly 175 film and TV credits. But few people know his name.

Philip Baker Hall is sort of the “Where’s Waldo” of acting. Audiences know his face, certainly his voice, but many people have trouble conjuring his name. Think of a show, Hall’s probably been on it.

## Ahead of a visit by Egypt’s president, Trump administration signals sharp policy shift

Despite sending \$1.3 billion in military aid annually to Egypt, Barack Obama could not secure the release of an Egyptian American humanitarian worker. And Obama did not invite Abdel Fatah al-Sissi to the White House. The jailed aid worker’s plight has become a symbol of the policy change that places security cooperation over human right concerns as the main barometer for engagement with authoritarian leaders.
