

What's News

U.S. Denies Exxon Bid for Waiver on Russia Sanctions

President Trump has rejected a bid by oil company Exxon Mobil to resume a Black Sea venture with Rosneft, a sanctioned Russian firm close to the Kremlin. 128

Theranos Misled Directors, Ran Fake Tests, Filings Allege

An investor said in newly unsealed court filings that Theranos used a shell company to buy commercial-lab equipment, then pretended it was using its own technology in demonstrations for prospective partners and investors. 202

Border Lawmakers Balk at Trump's Wall Request

Not a single member of Congress who represents the territory on the southwest border has expressed support for President Trump's request for \$1.4 billion to begin construction of his promised wall, according to a Wall Street Journal survey. 267

In 'Buy American' Push, Trump Is Starting in a Hole

Foreign-owned companies received more money from federal contracts in the past three months than in any corresponding period in a decade. President Trump has limited power to buck that trend. 431

United Says CEO Won't Take Chairmanship; Executives' Bonuses to Factor in Customer Service

United Continental moved to further stem fallout from the incident in which police dragged off a paying passenger from one of its flights, saying its chief executive Oscar Munoz will no longer be taking on the chairman role and that it will revamp executive compensation incentives.

GE, Still Weighed by Energy, Boosts Profit Amid Cost Cutting Plan

GE's first quarter showed strength driven by its core industrial businesses as its oil and gas segment continued to drag on results.

Gillette's Lawsuit Against Razor Startup Dismissed

A judge dismissed a lawsuit by Procter & Gamble's Gillette that accused four former employees of taking company information to the startup ShaveLogic.

Airlines Bolster First Class, Skimp on Economy

Big airlines are sharply cutting back fares or amenities for their lowest-paying customers, while pulling out the stops for more perks for their premium fliers. 286

Trump Puts Two Dodd-Frank Powers on Hold in Symbolic Move

The Trump administration puts on hold two of its powers under the Dodd-Frank financial overhaul law during a 180-day review.

Heard on the Street: Too Many Questions on Too Big to Fail

The Unconventional World of Bank CEO Bob Wilmers

From the outside, M&T Bank, a Buffalo, N.Y.-based lender, appears to be just another boring regional bank. That doesn't account for CEO Bob Wilmers, who owns a vineyard in France's Bordeaux region and rides to work on a decrepit bicycle.

Goldman Goes Beyond Annual Review With Real-Time Employee Ratings

Goldman Sachs is rolling out a new review system where employees can get ongoing feedback from their managers and peers, as the Wall Street firm seeks to supplement its annual review process with more frequent check-ins.

New York City Pension Funds to Vote Against 10 of 15 Wells Fargo Directors

A large Wells Fargo shareholder will oppose the reelection of 10 of its 15 directors at the bank's annual shareholder meeting on Tuesday.
