GOP Confident of Votes as Health Debate Starts

The House appeared ready to vote on a bill to replace most of the Affordable Care Act, a first step toward fulfilling a key promise that Republican leaders have made to voters for more than seven years.

White House Pressure Driving Health Vote

Republicans have been under pressure from the White House to deliver the votes for the measure that seeks to repeal and replace Obamacare. 108

Bill Jeopardizes Out-of-Pocket Caps in Employer Health Plans

Many people who obtain health insurance through their employers could be at risk of losing protections that limit out-of-pocket costs due to a provision proposed in the House Republican health-care bill. 162

How a Hedge-Fund Ace Chased Silicon Valley Riches—and Embarrassed Himself

Wellington's Nick Adams made his career in bank stocks before pouring money into tech startups. The result: an apology, refunds and a vow to get back to basics.

Why the 'Fear Gauge' Is Missing the Market's Anxiety

Volatility has nearly vanished in stocks, with the market's so-called "fear gauge" at record low levels, but that could be because investors are hedging in different ways.
