## The US Plan to Neutralize North Korea Doesn't Involve the Military

By [Rob Garver](#)

President Trump and members of his administration have recently struck a very friendly tone toward China, particularly with respect to that country's apparent support for the effort to "denuclearize..."

## Can Drug Companies Be Shamed Into Lowering Prices?

By [Eric Pianin](#)

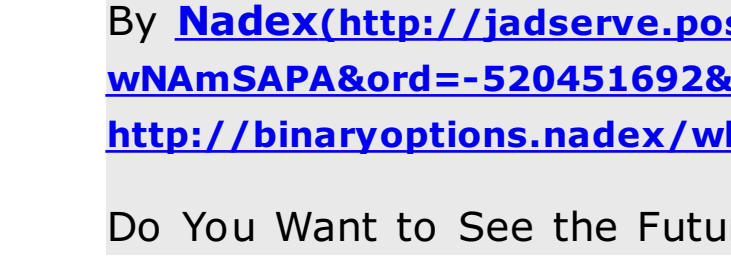

Instead of resorting to government price controls to cap future price increases, lawmakers are pushing legislation that would publicly shame drug manufacturers planning huge price increases.

## CIA Director Calls Wikileaks a 'Hostile Intelligence Service'

By [Rob Garver](#)

At the same time that other elements of the Trump administration are toughening up American rhetoric toward Russia, Central Intelligence Agency Director Mike Pompeo, in his first public speech in...

## How China Could Really Squeeze North Korea

By Irina Slav, Oilprice.com

Beijing's patience with North Korea is wearing thin as Pyongyang continues to conduct nuclear missile tests. According to a state Chinese media outlet, Huanqui, China is considering a suspension of...

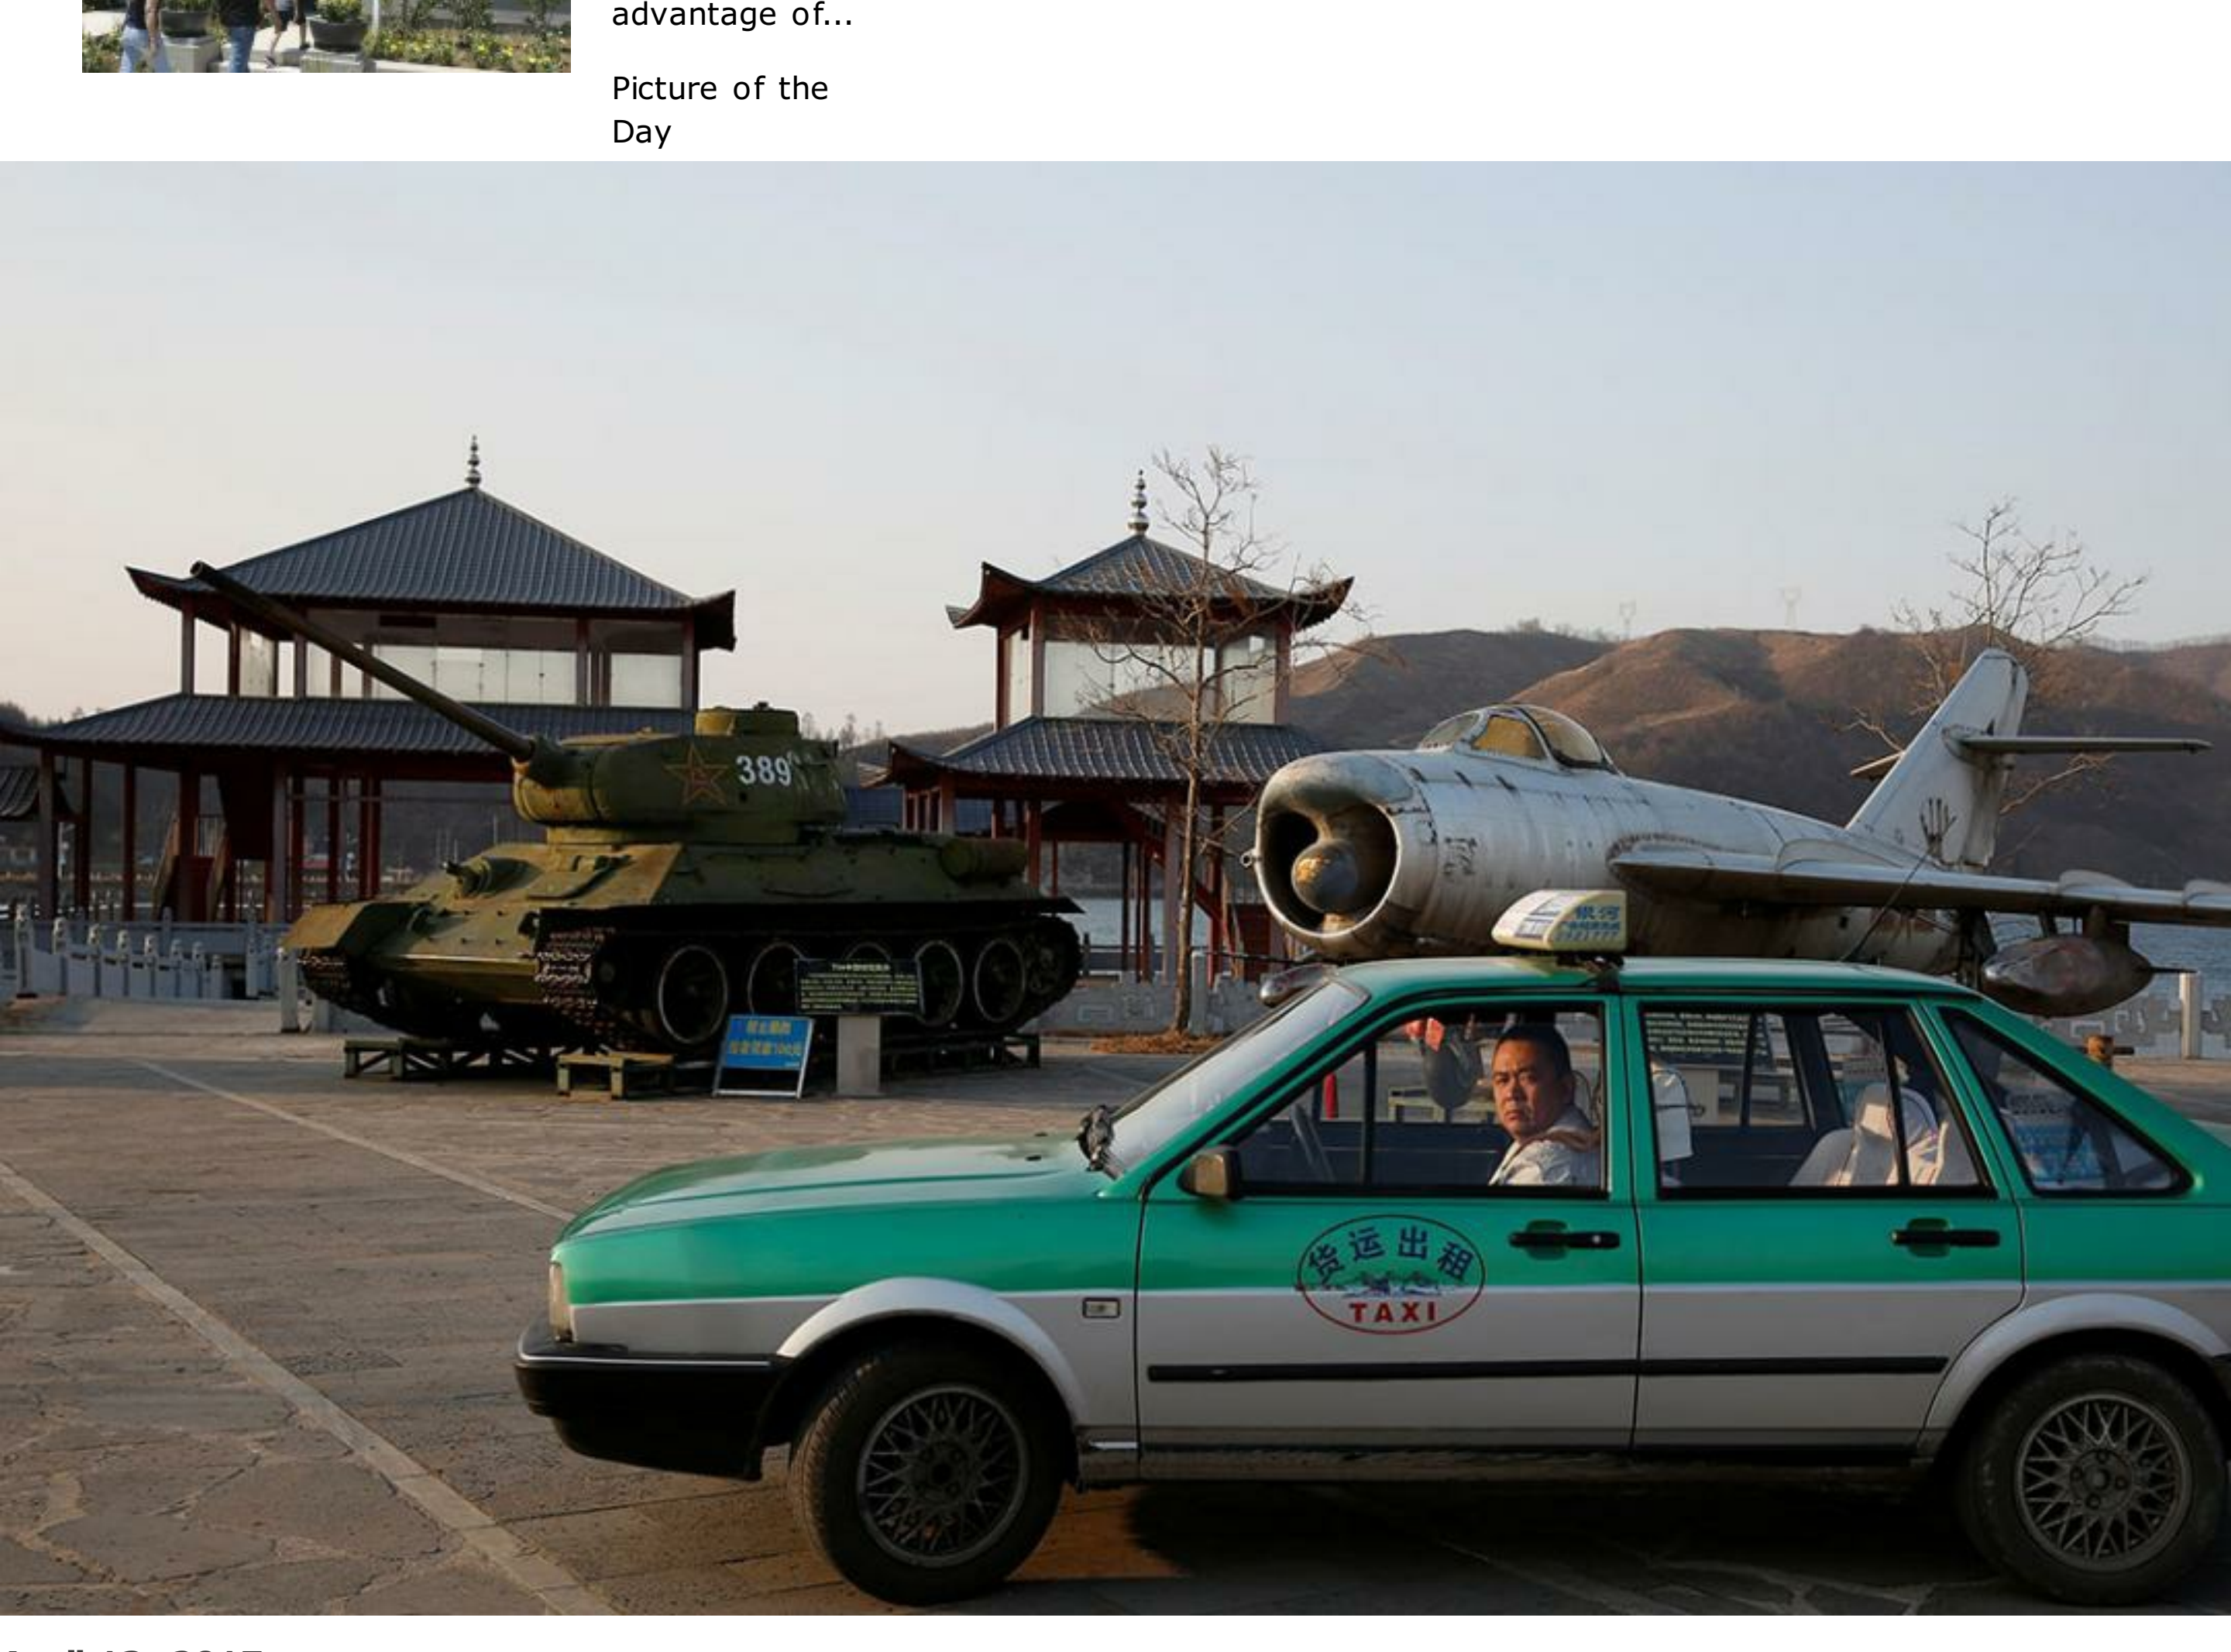

## Homes Are Flying Off the Market Faster Than Ever

By Diana Olick, CNBC

Homes are flying off the shelves this spring, as demand rises and supply continues to drop. Record high prices in some local markets are not thwarting hungry buyers, as they rush to take advantage of...

Picture of the Day

## April 13, 2017

A taxi is parked in front of retired airplane and tank on display, at a Chinese village bordering North Korea at Dandong in China's Liaoning Province, April 13, 2017.

• **The Army Has a New Supergun That Can Blow Apart a Tank**

By [Ciro Scotti](#)

A "big shotgun shell" that travels at three times the speed of sound and can blow apart a tank is one of the latest conventional weapons that the Army has in its sights. The Kinetic Energy Projectile...

• **Will Trump's \$42 Billion Bet Bring Democrats to the Table on Health Care?**

By [Rob Garver](#)

When the Department of Health and Human Services issued an angry statement on Tuesday challenging the accuracy of a report in The New York Times that had relied, puzzlingly, on another official...

• **Here's How Much the 'Mother of All Bombs' Costs**

By [Jacqueline Leo](#)

The United States Defense Department likes to show off. After proving it can move with the quick strike capability of a cobra as it did when it launched 59 tomahawk missiles at a Syrian airfield ,...

• **Here's How Two Lawmakers Plan to Secure Social Security's Troubled Future**

By [Eric Pianin](#)

If nothing changes, by the time today's 50-year old reaches retirement age, Social Security will be paying 21 percent less in benefits than it is today.

• **Who Is That Man in the Oval Office, and What Has He Done with President Trump?**

By [Rob Garver](#)

Donald Trump has never stood out for the strength of his convictions, but even for a man

known to adopt policy positions more out of convenience or circumstance than principle, the past two days have...
