IAC Plans to Buy Angie's List

IAC plans to buy Angie's List, combining the consumer-review site with IAC's HomeAdvisor and forming a new, publicly traded company. The deal would value Angie's List at more than \$500 million.

Theranos Settles Lawsuit With Partner Fund

Theranos settled a lawsuit alleging the company and its founder, Elizabeth Holmes, defrauded a San Francisco hedge fund into making a \$96.1 million investment through "a series of lies."

SpaceX Puts Satellite in Orbit

Elon Musk's Space Exploration Technologies added another successful launch to its record Monday morning, but this time it carried a classified payload for the Pentagon's National Reconnaissance Office.

San Francisco Eases Home-Sharing Curbs

Home-sharing sites Airbnb and Expedia's HomeAway have reached a settlement with San Francisco that makes it easier for rental hosts to register with the city and helps the companies avoid costly fines.

Markets

China's Credit Slowdown Poses a Threat to Global Growth

China is making yet another attempt to rein in its overleveraged financial system, threatening to hamper the economy at a time when credit growth is already decelerating. Investors outside the country don't seem to care, but they should.

Canadian Lender Draws on Emergency Line as Deposits Flow Out

Home Capital Group, a Canadian mortgage lender, announced it had drawn 1 billion Canadian dollars (\$732.5 million) from an emergency C\$2 billion credit line secured last week as deposits continued to stream out of the firm following allegations it misled investors about mortgage-application fraud.

Wall Street Fear Gauge VIX Sinks to Decade Low

A measure of expected stock volatility, known as Wall Street's fear gauge, slid Monday to its lowest level in more than a decade.

Energy Stocks Stuck in a Rut Even as Profits Bounce Back

Energy shares have been the stock market's worst performer this year, weighed down by slumping crude prices even as many oil-and-gas companies return to profitability.

Maduro Seeks New Venezuelan Constitution

Venezuela President Nicolás Maduro on Monday signed an order to convene a special assembly to redraft the country's constitution, the latest in a string of efforts to retain power in the face of mounting protests and civil unrest.

White House Dismisses Criticism Over Duterte

The White House tried to bat away criticism of President Donald Trump's decision to invite the Philippines' President Rodrigo Duterte to Washington.

Trump Administration Unwinds Some School Lunch Standards

The Trump administration is scaling back some healthful school lunch standards championed by former first lady Michelle Obama, as it seeks to give schools more flexibility with meals.

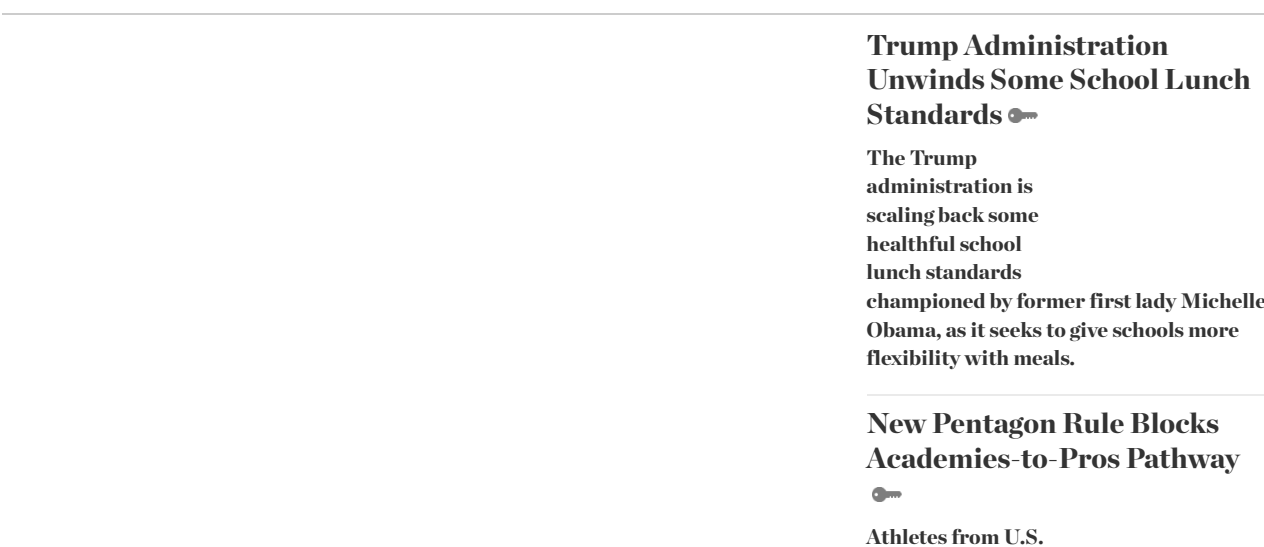

New Pentagon Rule Blocks Academies-to-Pros Pathway

Athletes from U.S. military service academies no longer will be allowed to bypass active military service and go straight into professional sports leagues.

White House Considers Former EEOC Lawyer for Civil-Rights Post

The White House is considering Eric Dreiband, who filed discrimination lawsuits as the top lawyer at the Equal Employment Opportunity Commission and has also defended big businesses from such lawsuits, to lead the civil rights division at the Justice Department, according to

U.S.

Georgia's I-85 Likely to Reopen Ahead of Schedule

Quick rebuilding following a late-March fire and collapse means the highway is expected to reopen on or before Memorial Day.
