Trump to Seek 15% Tax Rate on Owner-Operated Firms

President Donald Trump is planning to unveil a proposal to cut corporate taxes on U.S. companies' foreign profits and to slash the top tax rate on so-called pass-through businesses, including many owner-operated companies, to 15% from 39.6%. 674

White House Intervened to Toughen Letter on Iran Nuclear Deal

The White House last week rejected a State Department letter that declared Iran in compliance with a landmark nuclear deal, insisting on far tougher wording, according to senior U.S. officials. 129

Trump's Order on Sanctuary Cities Likely Unconstitutional, Judge Says

A federal judge in San Francisco ruled that President Trump's executive order threatening to pull funding from sanctuary jurisdictions is likely unconstitutional. 1076

With Border Wall Funding Shelved, Lawmakers Inch Toward a Deal

Lawmakers edged closer to a deal to prevent a government shutdown but were still slogging through a raft of unresolved issues, including whether to include payments to insurers under the Affordable Care Act.

Wary Tech Sector Booms in the Land of Trump

Silicon Valley wasn't a happy place when Donald Trump was elected president. Yet as the Nasdaq Composite Index's first-ever close above 6000 demonstrates, technology has flourished more under Mr. Trump than any other industry, save banking.

Inside Turkey's Irregular Referendum

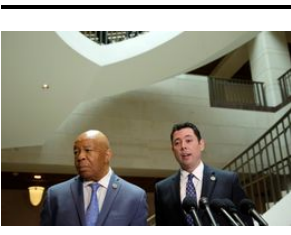

On election day, monitors across the country reported problems in voting that expanded the powers of the president. Ballots lacked verification stamps and observers were kept from polling places.

Where College Seniors Are Falling Short

Even as employers look to hire more graduates from the Class of 2017 than the previous year, the current crop of job-seeking seniors are ill-prepared for the job hunt and many coveted positions, a survey finds. 743

Fox News Host Joins Racial-Bias Suit

An African-American on-air host for Fox News, Kelly Wright, has joined a group of current and former employees suing the cable channel and some of its senior executives for alleged racial discrimination.

Coke to Cut 20% of Corporate Staff as It Battles Soda Slump

Coca-Cola's profit and revenue continued to slide in the first quarter of the year as weakness in Latin America flattened volumes, and the soda maker said it would expand its efforts to cut costs. 72

AT&T Continues to Lose Subscribers

AT&T Inc. continued to shed wireless and television subscribers in the first quarter of the year as cheaper data plans and cord cutting took a toll.

Express Scripts Faces a Future Without Its Biggest Customer

Express Scripts Holdings, the largest administrator of prescription-drug benefits in the U.S., is facing an identity crisis as it grapples with replacing \$17.1 billion in annual revenue following the loss of its biggest customer, health-insurer Anthem.

Why First-Quarter Growth Is Often Weak

U.S. gross domestic product may look bad in the first quarter, a recurring feature that may reflect technical problems more than underlying trends.

New York Court Dismisses Libel Suit by Highland Capital

A state supreme court judge found comments by one of the asset-management firm's investors to be accurate depictions of a separate lawsuit against Highland.

World

Marine Le Pen's Bid to Lead France Hinges on Low Turnout

Breaking with a longstanding tradition of French voters setting personal beliefs aside to coalesce behind whoever could block the National Front, many voters on the left and the right plan to stay home for the second round.

Relative of Imprisoned Iranian-Americans Appeals to Trump

The family of an Iranian-American father and son imprisoned in Iran are urging President Trump to take personal responsibility to secure their release as administration officials huddle with Iranian counterparts for the first time this week.

Pakistan Looks to Reboot Relationship With U.S.

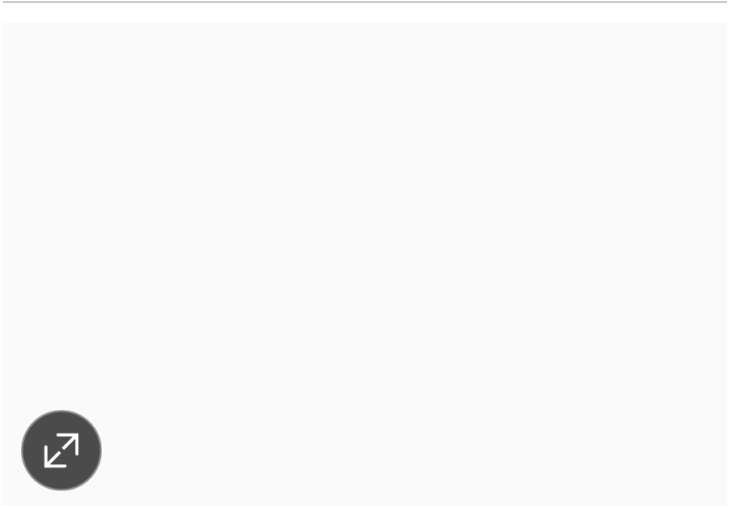

Pakistan seeks a reset of its relationship with the U.S., a senior official said Tuesday ahead of talks with the Trump administration's top security official.

U.S. Tariffs Pose New Reckoning on Canada's Lumber Sector

The Trump administration's action on softwood lumber this week puts to the test Canadian lumber producers' bid to inoculate themselves from U.S. trade risks by ramping up sales to China and buying sawmills in the southern U.S.
