LIVE ANALYSIS

Hiring Expanded in April as Employers Added 211,000 Jobs

The pace of hiring picked up again in April and the unemployment rate fell to the lowest level in nearly a decade, providing reassurance the broader economy is poised for a strong spring after a lackluster start to the year. The jobless rate fell to 4.4%; wages are up 2.5% on the year.

Uber Faces Federal Criminal Probe Over 'Greyball' Software

Federal prosecutors have begun a criminal investigation into Uber's use of software as part of the company's program known as "Greyball" that helped drivers avoid local regulators.

The Pentagon has, for the first time, dispatched its newest F-35A combat jet to exercise with allies near the Russian border, amid rising political tensions between Washington and Moscow. The WSJ's Robert Wall hitched a ride to take a closer look.

U.S. Jet Fighters Flex Muscle Amid Russia Tensions

The Pentagon has deployed its newest combat plane, the stealthy F-35A fighter, to Europe for a first overseas training mission in a show of allied strength intended in part to deter Russia.

Trump Meets With Australia's Turnbull in Effort to Reset

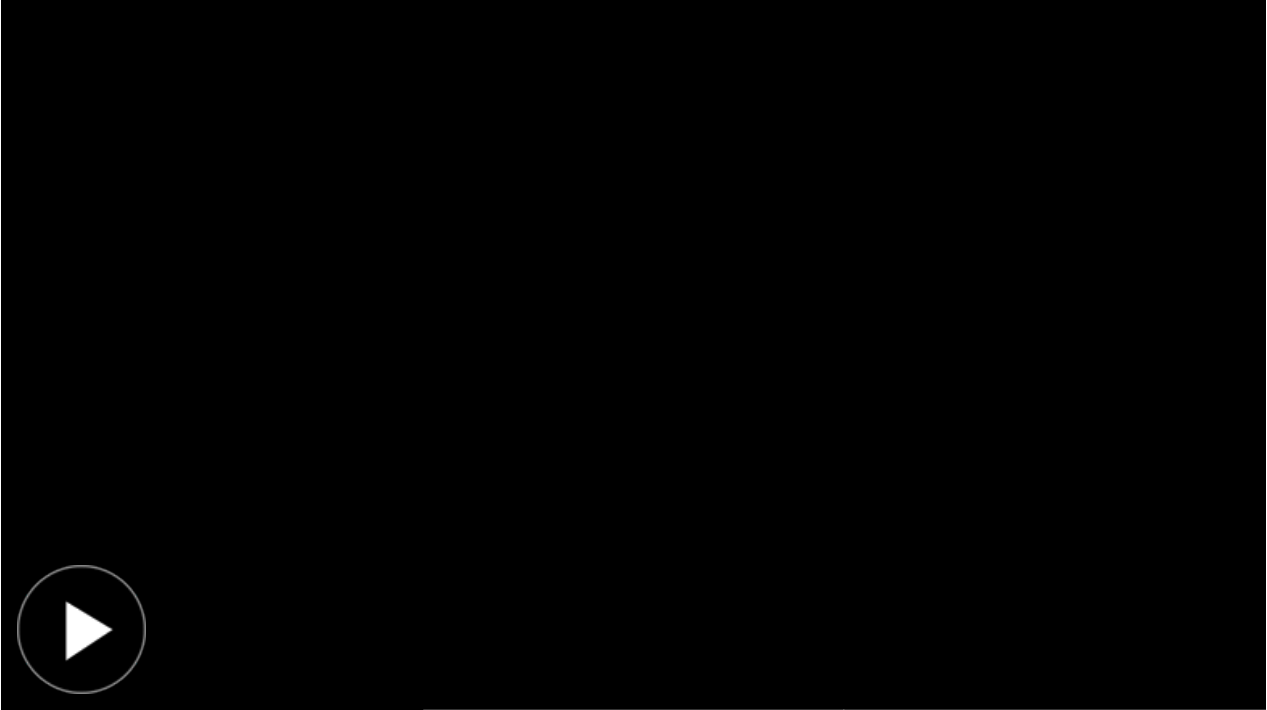

President Donald Trump said Thursday he has "worked out" his disagreements with Australian Prime Minister Malcolm Turnbull, as the two men met in New York in a

public effort to bury the hatchet after a contentious phone call earlier this year.

## Growth, Economists See China Slowing

China's economy, after chugging along in recent months, is likely losing some steam, with some economists expecting indicators for April to show weaker industrial production, softer overall credit and cooler export growth.
