March 29, 2017

British Prime Minister Theresa May in the cabinet office signs the official letter to European Council President Donald Tusk invoking Article 50 and the United Kingdom's intention to leave the EU on March 28, 2017 in London, England. After holding a referendum in June 2016 the United Kingdom voted to leave the European Union; the signing of Article 50 now officially triggers that process.

The Billion Dollar Drug for Opioid Victims Has a Problem: It's Addictive

By Andrew L Yarrow

Maryland Gov. Larry Hogan's executive order earlier this month, declaring the state's opioid addiction crisis a state of emergency, is yet another example of the state's leadership in addressing a...

Trump's Climate Fail: Another Loss for American Leadership

By Patrick Smith

President Trump put more than progress on climate change in jeopardy when he reversed the previous administration's clean-energy policies on Tuesday. With a signature on an executive order, he put...
