United Airlines: Another Example of How They Screw Up and You Pay the Price

By Edward Morrissey

United Airlines might have had the worst customer service and public-relations month for any business entity since New Coke nearly derailed Coca-Cola's dominance of the soft-drink market three...

The 45 Donors Who Gave \$1 Million to Trump's Record-Breaking Inauguration

By Janna Herron

While he may not have had record-breaking crowds at his inauguration, President Trump raked in far more cash than any president to spend on the festivities surrounding his swearing in to office...

6 New IT Threats — and How to Combat Them

By CenturyLink

Cybersecurity defenses must constantly evolve to meet new threats. To do so, IT executives have to keep up with a lot.

Want to See the Future of the Electric Car? Go to China

By Edward Taylor and Joseph White, Reuters

China's crackdown on vehicle pollution will turn the world's largest auto market into a hub for cutting edge electric car technologies previously exported from Europe and the United States, industry...

Here's Why Trump Should Forget the Wall and Push for E-Verify

By Liz Peek

During the campaign, Trump promised to erect a permanent barrier between the U.S. and Mexico and claimed that our southern neighbor would pay for it. Achieving either of those ambitions appears in...

Steve Ballmer Launches Data Project Showing How Government Spends Your Money

By Mark Fahey, CNBC

Former Microsoft CEO Steve Ballmer isn't satisfied with owning the Los Angeles Clippers and teaching at Stanford and USC. He's also trying to improve political discourse by making government...

Solar panels are seen in Yinchuan, Ningxia Hui Autonomous Region, China April 18, 2017.

Trump's Wall, By One Estimate, Could Cost \$70 Billion

By Rob Garver

If President Trump wants to see his border wall completed while he is still in office, he may have to convince members of Congress to cough up a lot more money than he originally promised the project...

United Airlines Has Another Major Problem

By Benjamin Zhang , Business Insider

On Tuesday, United Airlines reported their financial result for the first quarter of 2017. United beat analyst forecasts of \$0.38 per share and \$8.38 billion operating revenue by posting adjusted...

Trump and Top GOP Voice on Foreign Relations Are at Odds Over Turkey

By Rob Garver

President Donald Trump and his top foreign policy ally in the House of Representatives increasingly seem to be on different pages when it comes to major international issues.

If Ossoff Wins Big in Georgia, Democrats Could Sweep the 2018 Midterms

By Eric Pianin

Republicans are desperately trying to hang onto a Georgia House seat up for grabs in Tuesday's special election to dampen Democrats' prospects for establishing a beachhead before the 2018...

Business Isn't Happy About Trump's 'Hire American' Executive Order

By Karen Gilchrist, CNBC

U.S. President Donald Trump will push ahead with one of his major campaign pledges Tuesday when he signs an executive order that will overhaul the way foreign workers can work in high-skilled jobs in...
