What's News

Yates Warned White House Flynn at Risk of Russia Blackmail

Former acting Attorney General Sally Yates told Congress she had warned a top White House official that then-national security adviser Mike Flynn had misled the vice president and others about his conversations with a top Russian diplomat, and that it had put him at risk of blackmail.

- Obama Warned Trump Against Hiring Flynn

Investors Lighten Up on U.S. Stocks, Betting on Europe

Investors are pulling money out of the U.S. stock market at one of the highest rates in years, moving billions of dollars to other markets and sealing back a long-held bet that U.S. growth would bring superior returns.

GOP Confronts Backlash Over Health Bill

House Republicans may have won the battle to pass a health-care overhaul, but the fight over public messaging could be critical to the shape of the bill that emerges from the Senate and to any final compromise.

Moon Jae-in Poised to Win South Korean Presidency: Polls

South Korean voters were poised to elect Moon Jae-in as the country's next leader, exit polls show, ending nine years of conservative rule and bringing to power a forceful advocate for closer ties with North Korea.

Unemployment Improves More in 'Red' States

Emmanuel Macron's easy win in the French election signaled that the global populist tide may be receding. W.S.J.'s Gerald F. Seib explains what the outcome means for U.S. President Donald Trump and his political foes. Photo: Getty

Macron's Next Test: Winning Control of France's Parliament

After winning his bid to lead France, Emmanuel Macron got to work on his next challenge: winning control of its parliament. His fledgling party needs to gain allies from both sides of the aisle to win a majority.

Annual Performance Reviews Give Way to Flood of Feedback

As companies move from annual performance reviews to more frequent evaluations, workers and bosses are coping with a flood of feedback. 'Why isn't once a year enough?'

- How Four Companies Evaluate Employees Year-Round

Why Do Gas Station Prices Constantly Change? Blame the Algorithm

Retailers are using artificial-intelligence software to set optimal prices, which are sometimes higher than competitors. Some antitrust experts say such systems could raise prices for consumers.

Business

Southwest Looks to Pilot Pain-Free Systems Upgrade

Southwest Airlines Co. on Tuesday plans to move from its 30-year-old reservations system to a new technology platform, providing capabilities its rivals have been using for years.

Toshiba Partners Brace for Possible Bankruptcy Filing

Toshiba's business partners are preparing for a scenario in which the company seeks to reorganize under Japanese bankruptcy laws, with consequences for the global nuclear-power and electronics industries.

Elliott Takes Akzo Nobel to Court to Oust Chairman in PPG Bid Battle

U.S. activist investor Elliott Management has asked a Dutch court to force Akzo Nobel to hold a special shareholder meeting seeking the removal of its chairman, its latest attempt to strong-arm the paint maker into sale talks with rival PPG.

Alipay and WeChat Pay Make Push Into U.S.

China's Alipay and WeChat Pay, which allow payments for groceries, movies and more with smartphones, are expanding into North America, hoping to ride waves of Chinese traveling abroad.

Markets

Stocks Lifted by Upbeat Earnings and More Stable Commodity Prices

Global stocks were mostly firmer Tuesday, bolstered by steadying commodity prices and upbeat earnings reports.

It's Time to Buy European Stocks—Sorta, Kinda, Maybe

Emmanuel Macron's victory is good news for investors. Europe is recovering perfectly well and investors ought to have some exposure to the region. Like Mr. Macron's voters, it is hard to be any more enthusiastic.

Yale to Build Tool Offering Real-Time Lessons on Financial Crises

Yale University will launch an online platform to provide real-time support to policy makers dealing with financial crises, with the help of a \$10 million gift from philanthropists Bill Gates, Jeff Bezos, Michael Bloomberg and Peter G. Peterson.

Hedge Funds Pitch 'Teletubbies,' Tesla at Sohn

Some of the biggest names of the hedge-fund world gathered Monday at the Sohn Investment Conference in New York to pitch their new investment ideas.

U.S.

Employee or Contractor? Double-Tax Case Could Help Businesses Challenge IRS

A U.S. Tax Court ruling gives companies a new way to challenge the IRS when the agency labels workers as employees instead of independent contractors.

Trump's Pick to Lead FDA Has Backing of Big Pharma

Scott Gottlieb, the veteran health-care investor and physician nominated to lead the U.S. Food and Drug Administration, has strong backing from the pharmaceuticals industry as he prepares to put his stamp on the agency.

Despite Setbacks, Trump's Trade Warrior Is Fighting On

The White House's most hawkish trade adviser, Peter Navarro, says the administration is still pushing to win concessions from trading partners even though the president has softened some positions.

Chicago Police Warn Officers of Assault-Style Weapons Threat

Chicago's police officers have been warned of the increasing use by gang members of rifles able to pierce police body armor, after a spate of shootings with assault-style weapons.

Trump Is Getting Closer on Climate Change Decision

Factions in the Trump administration will debate what the president should do about U.S. participation in the Paris agreement and may present a formal recommendation on Tuesday at a national security meeting.

Property Report

Boston's Real-Estate Market Is Poised for a Boom

GE is moving its headquarters to Boston as roughly 14 million square feet of new space is being developed in the city amid a historic real estate boom.

World

Turkey, U.S. at Odds Over Force to Fight ISIS

Turkey is assembling a contingent of thousands of Syrian Arab fighters who it insists should lead the offensive to retake Islamic State's stronghold of Raqqa instead of the Syrian Kurdish militia the U.S. favors, according to commanders of the force.

Sub-Saharan Africa at Risk of Long-Term Slowdown, IMF Warns

Sub-Saharan Africa risks becoming poorer in per capita terms after years of fast-paced growth, the International Monetary Fund warned, as the region's economic expansion slows while its population growth continues to accelerate.
