What's News

Battle Over Gorsuch Confirmation Is Set to Hit Senate Floor

An acrimonious Senate floor battle over the confirmation of Supreme Court nominee Neil Gorsuch is set to begin Tuesday when Majority Leader Mitch McConnell is expected to use a procedural tool to limit debate on the nomination to 30 hours. 95

U.S. Considers Far-Reaching Steps for 'Extreme Vetting'

Foreigners who want to visit the U.S. could be forced to disclose contacts on their mobile phones, social-media passwords and financial records, and to answer probing questions about their ideology, according to Trump administration officials. 80

- H1-B Visa Program Reopens, With a Twist

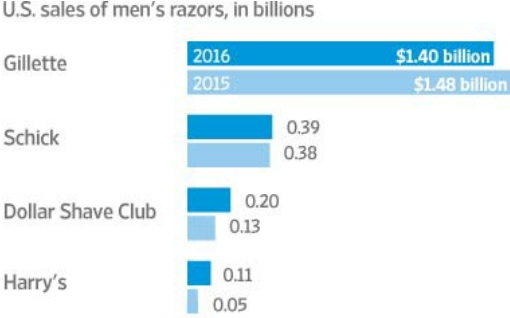

Syrian Activists Say Dozens Dead in Chemical Attack

Syrian regime or allied Russian aircraft are accused of carrying out a chemical attack that killed at least 58 people, including 11 children, in a rebel-held town.

- Conference Shows Limits of Soft Power

Boeing Agrees to First Plane Sale to Iran Under Trump

Boeing agreed to sell up to 60 of its most popular jets to an Iranian airline, doubling down on the country amid uncertainty over the Trump administration's tolerance for U.S. business dealings in Iran.

Gillette, Bleeding Market Share, Cuts Prices of Razors

Razor giant Gillette, with its market share shrinking, is slashing its prices as it fends off startups like Dollar Shave Club and Harry's. 59

Perks for the Pregnant: A New Way to Build Company Loyalty

Companies have been adding new benefits for working parents as they seek to hang on to employees balancing family and work. One of the latest is Fifth Third's maternity concierge service, which helps mothers with stroller recommendations, day-care options and more.

THE A-HED

Share Bikes Come to China, Where Some of Them Meet Grisly Fates

Business

Despite Beijing's recent scrutiny of overseas acquisitions, such deals have helped companies like China's WH Group, which bought pork processor Smithfield Foods in 2013, use Western technology to modernize. Photo/Video: Menglin Huang/The Wall Street Journal

U.S. Shows China How the Sausage Is Made

A meat factory in central China is at the forefront of a shift in how the country is using Western practices and technology to advance its economy.

Firm Founded by U.S. Commerce Secretary to Form China Venture

W.L. Ross & Co. plans to team with an arm of China Baosteel and other investors to acquire steel-industry assets in China with an aim at improving the sector's long-term "commercial viability."

Tesla Steps on the Gas, Overtakes Ford in Value

The upstart Silicon Valley electric-car maker run by Elon Musk has overtaken Ford as the second-largest U.S. auto maker by stock-market value. 408

Qualcomm to Seek Dismissal of FTC Suit

Qualcomm, whose chips can be found in virtually every smartphone, said it would file a motion to dismiss a lawsuit by the FTC that accused it of engaging in anticompetitive behavior to maintain dominance over the market.

Markets

Global Shares Lose Momentum as Investors Signal Caution

Stocks struggled for traction while the yen, government bonds and gold prices strengthened as investors favored assets that tend to do well in times of market stress.

Trades Change With Political Tide

Investors have shifted positions, dropping more bullish stances on financial and midcap stocks and turning more bearish on investment-grade bonds and biotechnology companies.

Ant Financial and Euronet Take MoneyGram Fight to Capitol Hill

The battle between Chinese billionaire Jack Ma's Ant Financial and a Kansas rival to acquire MoneyGram has sparked a lobbying war that will test the Trump administration's view of Chinese investment in the U.S.

European Debt's Biggest Buyer Is Its Biggest Risk

Investors are concerned about a selloff in corporate bonds if the European Central Bank continues to scale back its purchases of European debt.

U.S.

California Race Features a Cast of Two Dozen Contenders

Voters in California's 34th congressional district will pick from a field of 24 contenders vying for the same congressional seat—among them a former undocumented immigrant, an Obama White House official and a former public schoolteacher.

Property Report

Europe's New Safe Haven: German Real Estate

Blackstone Group and other investors increasingly see German real estate as a haven in a turbulent Europe, where risks include a disintegration of the euro.

Frankfurt Landlords Welcome Brexit Business

The office market in Germany's financial capital is emerging as one of the winners from Brexit less than a year after the U.K.'s historic vote to quit the European Union.

World

South Korea Talks Tougher on China Retaliation

Seoul is ratcheting up official protests against China for what many in South Korea regard as unlawful economic pressure over its plan to host an American missile-defense system.

Japan's Next High-Tech Export: Carrots

Prime Minister Shinzo Abe says he wants to turn the food business, where Japan has a \$70 billion annual trade deficit, into an export-growth sector along the lines of high-speed rail and carbon-fiber materials.

Digital Clue Links North Korea to Theft at New York Fed

A newly discovered digital clue links the hacking group blamed for a multimillion-dollar cyberattack on Bangladesh central bank's account at the New York Fed to a computer in North Korea, according to Russian cybersecurity company
