## Bill O'Reilly is out at Fox News amid sexual harassment claims

The downfall of the network's biggest star was swift and steep after it was disclosed earlier this month that O'Reilly and Fox had paid settlements for sexual harassment complaints made by female colleagues over the years. O'Reilly continued to deny the allegations, calling the claims "unfounded" in a statement.

## Roger Stone helped Donald Trump get elected president. Now he's helping himself.

The caustic campaigner for Nixon and Trump is just where he wants to be: Back in the limelight and knee-deep in scandal as Congress is threatening to haul him before a committee investigating alleged Russian meddling in the presidential election. The attention couldn't come at a better time for Stone: He has a book to sell.

Pulitzer Prize-winning reporting: Uncovering Trump

In February 2016, presidential candidate Donald Trump promised \$6 million in donations, including \$1 million from his own pocket, to charities along his campaign trail. But by the time he won the New Hampshire primary, he had stopped giving away money and had donated far less than his pledged amount. Post reporter David A. Fahrenthold went in search of the missing money and found a bigger story than he ever expected.
