Why Time Is Running Out for the Republicans to Repeal Obamacare

Japan Leads the Way on the Treatment of Alzheimer's

By Michael Hodin, The Fiscal Times

Many Japanese see their country as the first "super-aged" society. And it's not just leaders in government, business and academia, but the general population as well.

5 Green Energy Technologies That Could Change the World

By Zainab Calcuttawala , Oilprice.com

Innovations in energy storage, smart grid, and electricity generation technologies will affect every part of the source-to-consumer supply chain for powering the planet. Energy storage tech improves...

The Millennial Workforce: Here's What They Want

By Enterprise Florida

Winning the minds, hearts and loyalty of millennial employees requires a grasp of the forces that shape their collective take on careers and working.

If Pastors Want to Play Politics, Churches Should Pay Taxes

By Ciro Scotti

Like so much that is served up in the White House mess, the Executive Order on religious liberty signed by the President last week is all sizzle and no ribeye. Its purported purpose was to allow...

Who's Watching Wall Street? The Feds Turn a Blind Eye to Goldman's Game

By David Dayen

Why are House Republicans working so hard to repeal Wall Street reform when regulators have shown so much willingness to neglect tougher laws?

Sally Yates Hearing on Russian Meddling: An Odd Display of Senatorial Bluster

By Rob Garver

The much-anticipated testimony of former acting Attorney General Sally Yates and former Director of National Intelligence James Clapper before the Senate Judiciary Committee revealed a huge gulf...

Picture of the Day

May 9, 2017
The U.S. Airforce's X-37B Orbital Test Vehicle mission 4 after landing at NASA's Kennedy Space Center Shuttle Landing Facility in Cape Canaveral, Florida, U.S., May 7, 2017. U.S.

How Much Further Can the Unemployment Rate Drop?

By Jeff Spross, TheWeek.com

How low can unemployment go? It's a question Americans are no doubt excited to see answered. And the latest jobs report showed the unemployment rate falling from 4.5 percent in March to 4.4 percent...

3 Government Programs That Are Dangerously in the Red

By Eric Pianin

The Government Accountability Office says there are major programs receiving scant attention that are draining the Treasury and that could pose long-term challenges to the nation's fiscal stability.

Why the Army Thinks It Needs a Bigger Bullet

By Ciro Scotti

Since current warfare frequently involves combat beyond about 330 yards – that longer than three football fields – the Army is looking at arming soldiers with ammunition that is lethal at a longer...

Economists Agree: Trump's Tax Cuts Won't Pay for Themselves

By Yuval Rosenberg

A recent survey by the University of Chicago's Booth School of Business shows that economists disagree with Treasury Secretary Steven Mnuchin's claim that the nascent Trump tax plan "will pay for..."

Remember the Fiscal Cliff? Why the One Coming This Year Could Be Even Worse

By Yuval Rosenberg

Remember the fiscal cliff? We may get a replay of that budget brinkmanship this fall – only worse.
