TRUMP'S FIRST 100 DAYS

A Foreign-Policy Shift, At Least in Tone

President Trump is reorienting U.S. foreign policy by elevating military power and sowing confrontations with allies. Three months into his presidency, the shift has been more in tone than substance.

Pentagon Opens Probe Into Flynn's Foreign Payments

The Pentagon's internal watchdog is investigating whether former national security adviser Mike Flynn violated the law by taking payments linked to foreign governments without permission after leaving the military, despite being warned against doing so.

Economic Growth Likely Stalled in First Quarter

The government's initial tally of first-quarter GDP is expected to show growth slowed to a crawl, suggesting investors' hopes following Donald Trump's election victory haven't yet translated into real gains.

Markets

Private Equity Attracts New Activist Believers

Private-equity executives for years have grumbled about their firms' stock prices, which at times have underperformed the broader market. Some high-profile hedge-fund managers are coming around to their view.

Deutsche Bank Woos Back Clients After Torrid Year

Deutsche Bank made progress winning back clients who fled over capital concerns as it recovered from a turbulent 2016, but first-quarter profit was muted by debt-trading revenue that lagged behind peers.

- Heard: Bank Slogs While Rivals Soar

Behind the 2017 Bond-Market Rally

The yield on the benchmark 10-year Treasury note remains stubbornly low, challenging expectations that President Donald Trump would help end an era of low rates that has persisted since the financial crisis.

No Buyback, No Problem: Companies Trim Share Purchases in First Quarter

Companies appear to be spending less to repurchase their own shares this year, suggesting the stock market hasn't been phased by the waning influence of corporate buyers.
