

## FBI Director Comey says he feels ‘mildly nauseous’ about chance he affected election

James Comey gave his most exhaustive defense yet of his role in politically sensitive investigations, telling a Senate panel that despite his feelings, he had no regrets regarding his decisions about a probe into Hillary Clinton's emails.

By Devlin Barrett and Karoun Demirjian

## House approves roughly \$1.1 trillion spending bill, paving the way for Senate to meet Friday deadline

The measure to fund the government through September, which includes more than \$15 billion in additional defense spending and \$1.5 billion for border security, is expected to come up for a vote later this week in the Senate.

## Republicans seeking support for health-care plan push to address preexisting conditions

Rep. Fred Upton, who came out against the earlier revision on Tuesday, is the author of the latest amendment that provides more financial assistance for people with preexisting conditions.

By Sean Sullivan, David Weigel and Paige Winfield Cunningham

• @PKCapitol: Upton serves notice that moderates might be a force to reckon with

If more than 22 House Republicans vote “no,” the latest version of the health-care reform bill will fail. Here’s where things stand:

#### Pulitzer Prize-winning reporting: Uncovering Trump

In February 2016, presidential candidate Donald Trump promised \$6 million in donations, including \$1 million from his own pocket, to charities along his campaign trail. Months later, he had donated far less than he pledged. Post reporter David A. Fahrenthold went in search of the missing money and found a bigger story than he ever expected.
