United's Munoz, Other Airline Executives to Testify in Washington

United Continental CEO Oscar Munoz will face lawmakers' questions Tuesday about overbooking and customer service, as fallout from a passenger's forced removal from a flight continues.

- Why Airlines Will Keep Overbooking, Even After United Incident

President's Adviser Jared Kushner Didn't Disclose Startup Stake

Jared Kushner, the president's son-in-law and senior adviser, didn't identify on his government financial disclosure form that he is currently a part-owner of a real-estate finance startup and has a number of loans from banks on properties he co-owns, according to securities filings. [91](#)

Alitalia Shareholders Make Last Bid to Revive Airline

Alitalia edged closer to bankruptcy or breakup after its shareholders agreed to ask the Italian government to step in to help the beleaguered carrier.

Mylan Chairman Received Nearly \$100 Million Last Year

Mylan disclosed that its chairman, Robert J. Coury, received nearly \$100 million last year, among the largest 2016 pay packages, even as the drugmaker was buffeted by a furor over hefty price increases on its lifesaving EpiPen.

Screenwriters' Strike Averted in Last Minute Deal

After weeks of acrimonious talks between the Writers Guild of America and the Alliance of Motion Picture and Television Producers, a tentative new deal has been reached.

Pfizer Revenue Falls as Drugs Lose Exclusivity

Pfizer said revenue fell in its latest quarter as some legacy drugs lost market exclusivity.

Aetna Reports Loss, Reflecting Fallout From Scuttled Merger

Health insurer Aetna swung to a loss in the most recent quarter in the aftermath of its failed merger with Humana. The company expects the fallout from the merger to dent its full year earnings by \$3.69 a share.

BP Swings to Profit as Oil Sector Shakes Off Woes

BP said it swung to a profit in the first quarter—the latest major oil company to report a sharp improvement after a multi-year slump in crude prices.

Global Stocks Up Slightly Ahead of Fed Meeting

Stocks were off to a quiet start as investors digested corporate results and looked ahead to the Fed's May meeting, Friday's U.S. jobs report and the final round of the French presidential election.

Oil Prices Rise Despite Output, Production Concerns

Oil prices edged up supported by a softer dollar even as investors remain concerned about rebounding output from Libya and rising production in the U.S.

Apple Earnings: What to Watch

Apple is scheduled to report results for its fiscal second quarter, which ended in March, after the market closes on Tuesday. Here's what you need to know.
