

## Michael Flynn Is The Subject Of A Pentagon Investigation

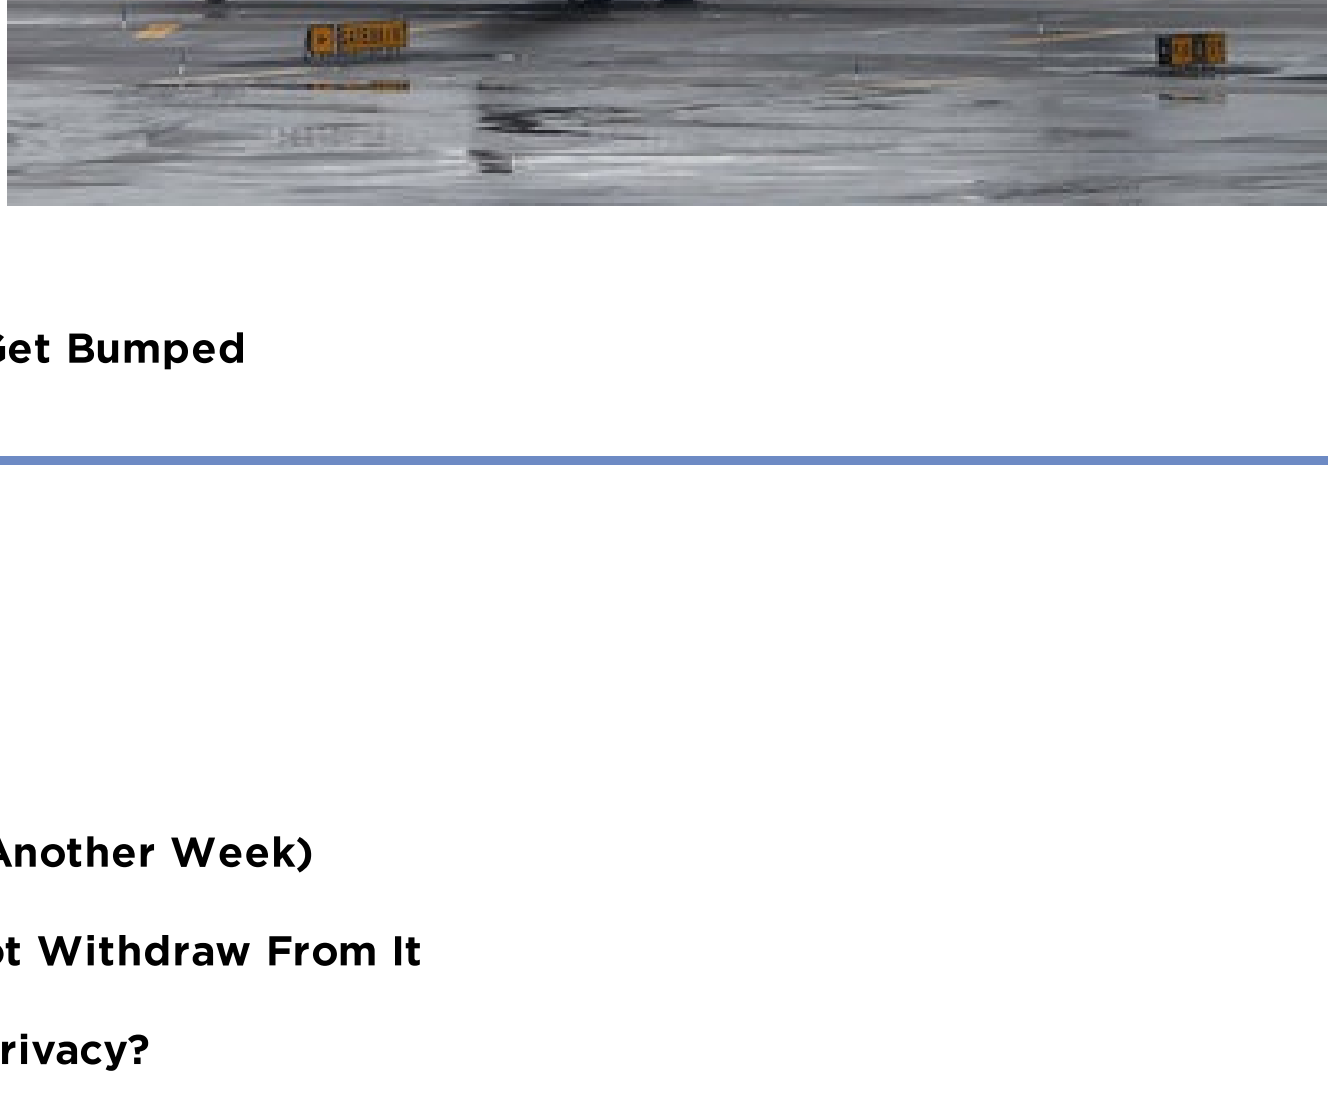

The military investigation could force the retired general to forfeit hundreds of thousands of dollars to make up for payments from entities linked to foreign governments.

### Trump's Tweet-And-Switch On Shutdown And Flynn

## United Airlines Settles With Passenger Dragged From Plane

Terms of the settlement have not been released. United promises changes in the way it deals with passengers.

## First Listen: Adele, Pearl Jam, The Avett Brothers And More Cover Brandi Carlile's Greatest Album

The musicians on Cover Stories joined the project, in part, because they believe in the cause it benefits — all proceeds go to War Child UK. But they inhabit it because Carlile's music feels right in their hands.

## This Time, 'Dear White People' Is Not So Much About Them

Season two of Netflix's hit show, with its incessant and incisive look at race at a fictional Ivy League college, doesn't really focus much on white people at all.

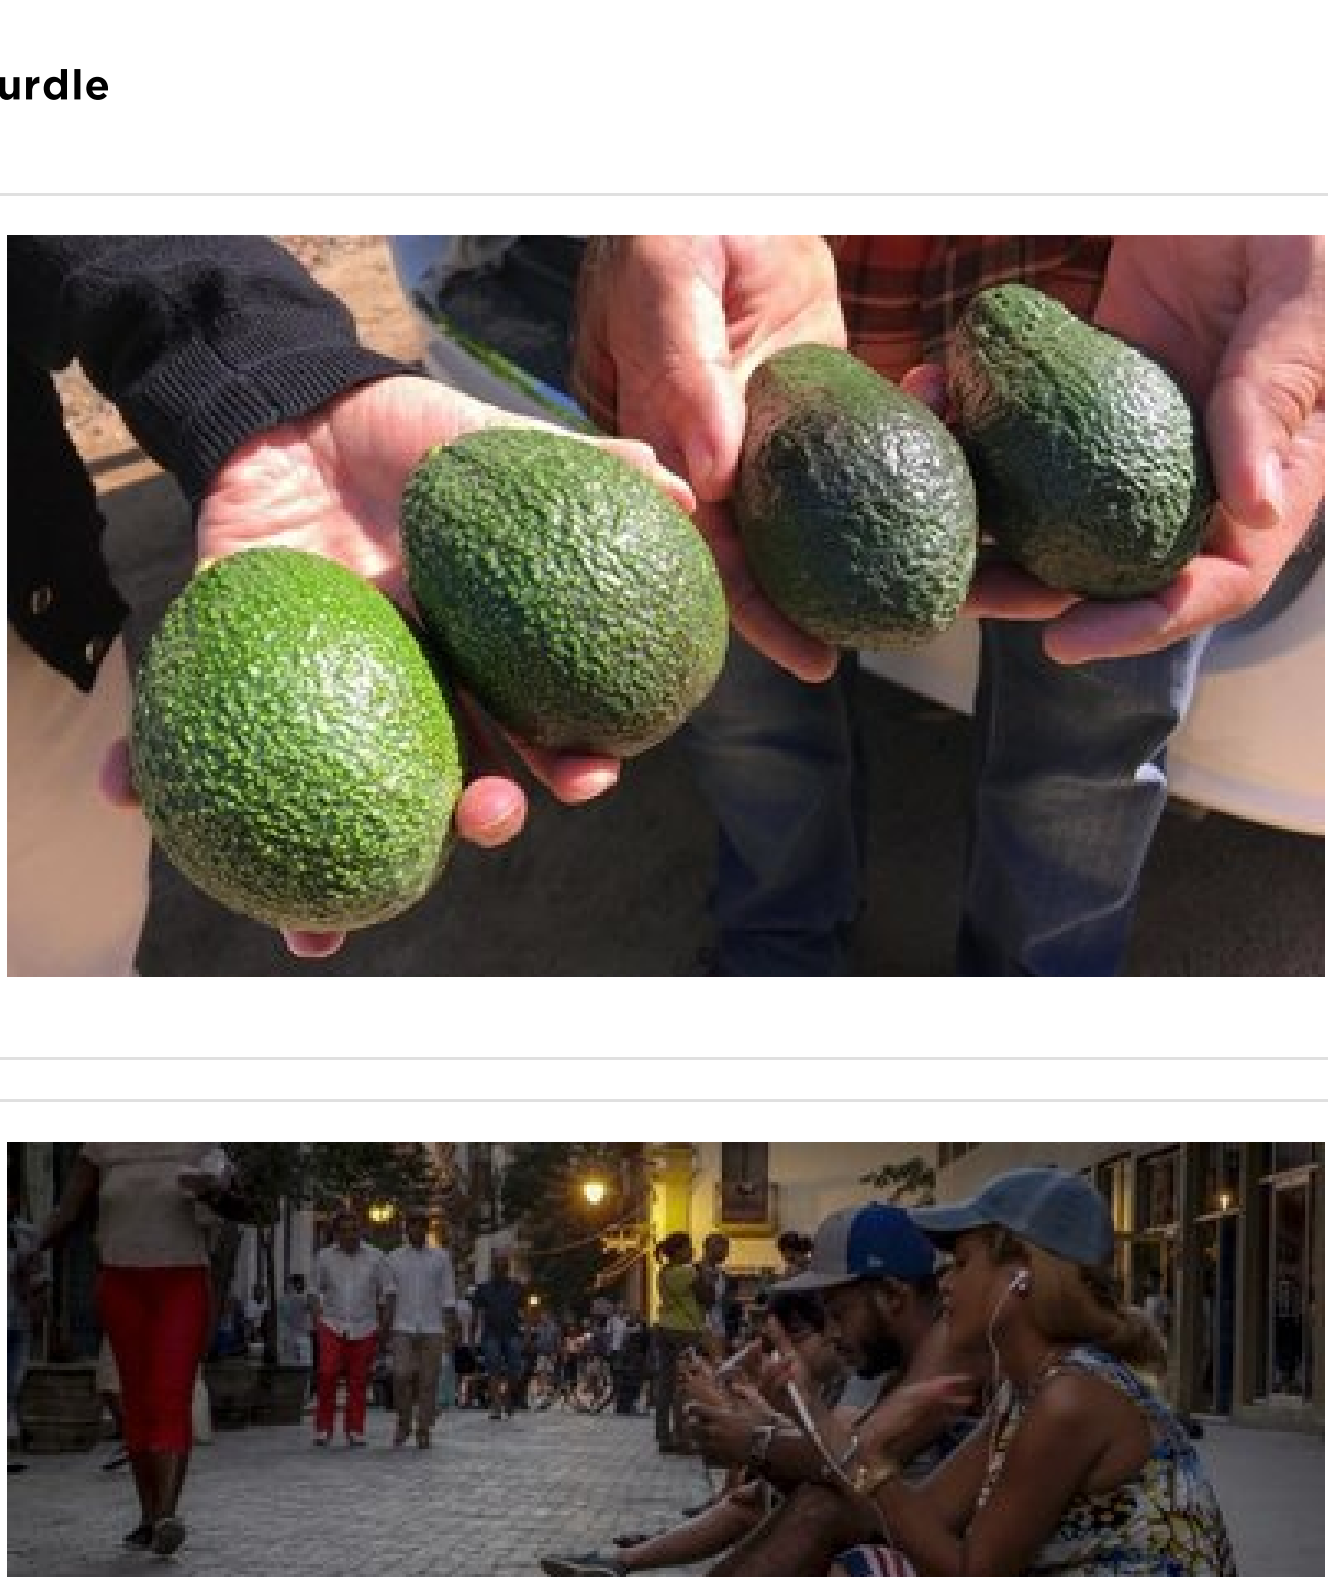

### Movie Reviews: 'One Week And A Day,' 'Harold And Lillian' And More

## As Trump And Congress Flip-Flop On Health Care, Insurers Try To Plan Ahead

Insurance companies face deadlines to offer Affordable Care Act plans for next year, but lawmakers and the White House have left key decisions up in the air.

### Easing Shutdown Worries, Trump Relents On Another Major Hurdle

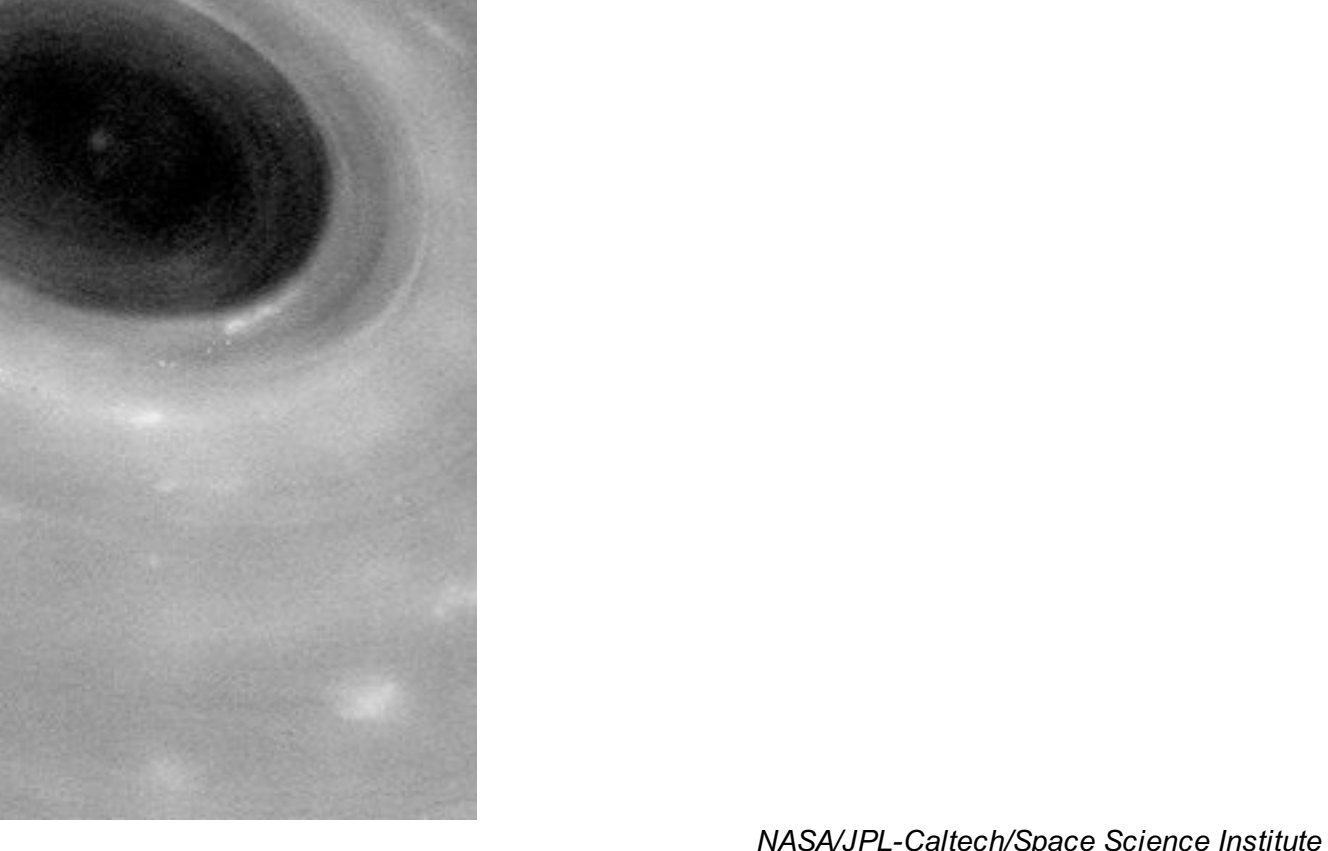

## California Is On Its Way To Having An Avocado Crop Year-Round

Americans ate 2 billion pounds of avocados last year; many came from Mexico. That's because avocados grow year-round in Mexico's climate, but not California's. Researchers are working to change that.

## Google Spins Up Its First Servers In Cuba

The company can speed up delivery of high-bandwidth content like YouTube videos because the servers will now store data locally. But accessing the Internet in Cuba remains difficult and expensive.

## Arkansas Poised To Carry Out Its Fourth Execution This Month

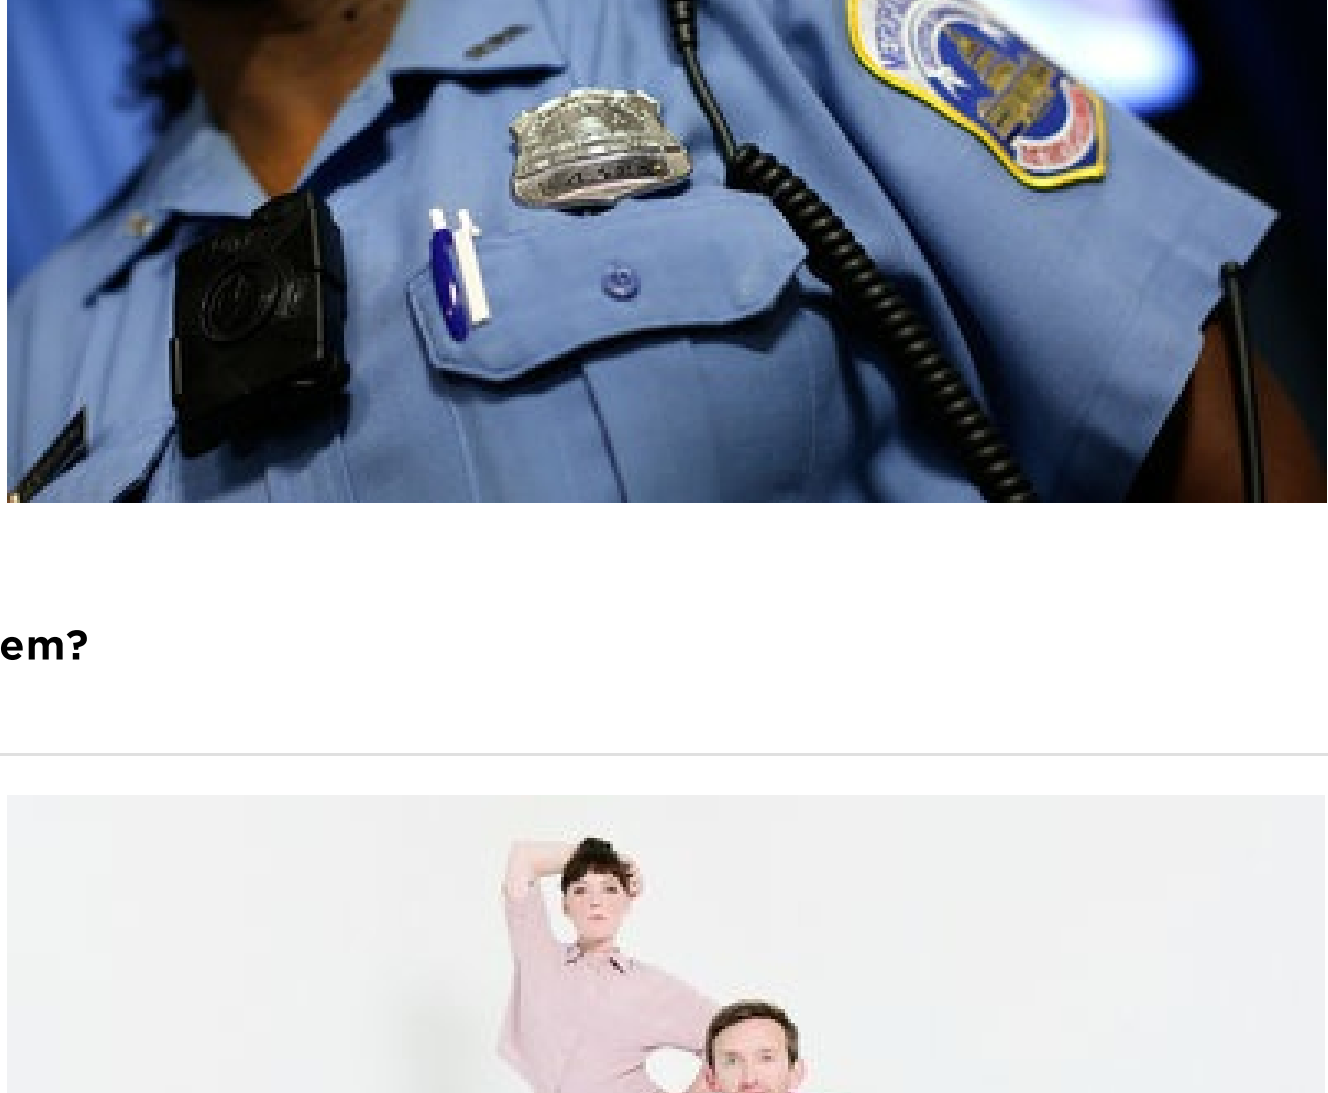

And hours before his scheduled execution, lawyers for death-row inmate Kenneth Williams continued to try to stop it in court. He is the fourth and final inmate scheduled to die in Arkansas this month.

### Easing Shutdown Worries, Trump Relents On Another Major Hurdle

## Scientists Hunt For Hard Evidence On How Cop Cameras Affect Behavior

Police departments in about 95 percent of cities nationally have put wearable cameras on officers, or soon plan to. But do these body cameras make neighborhoods safer? Scientists want to find out.

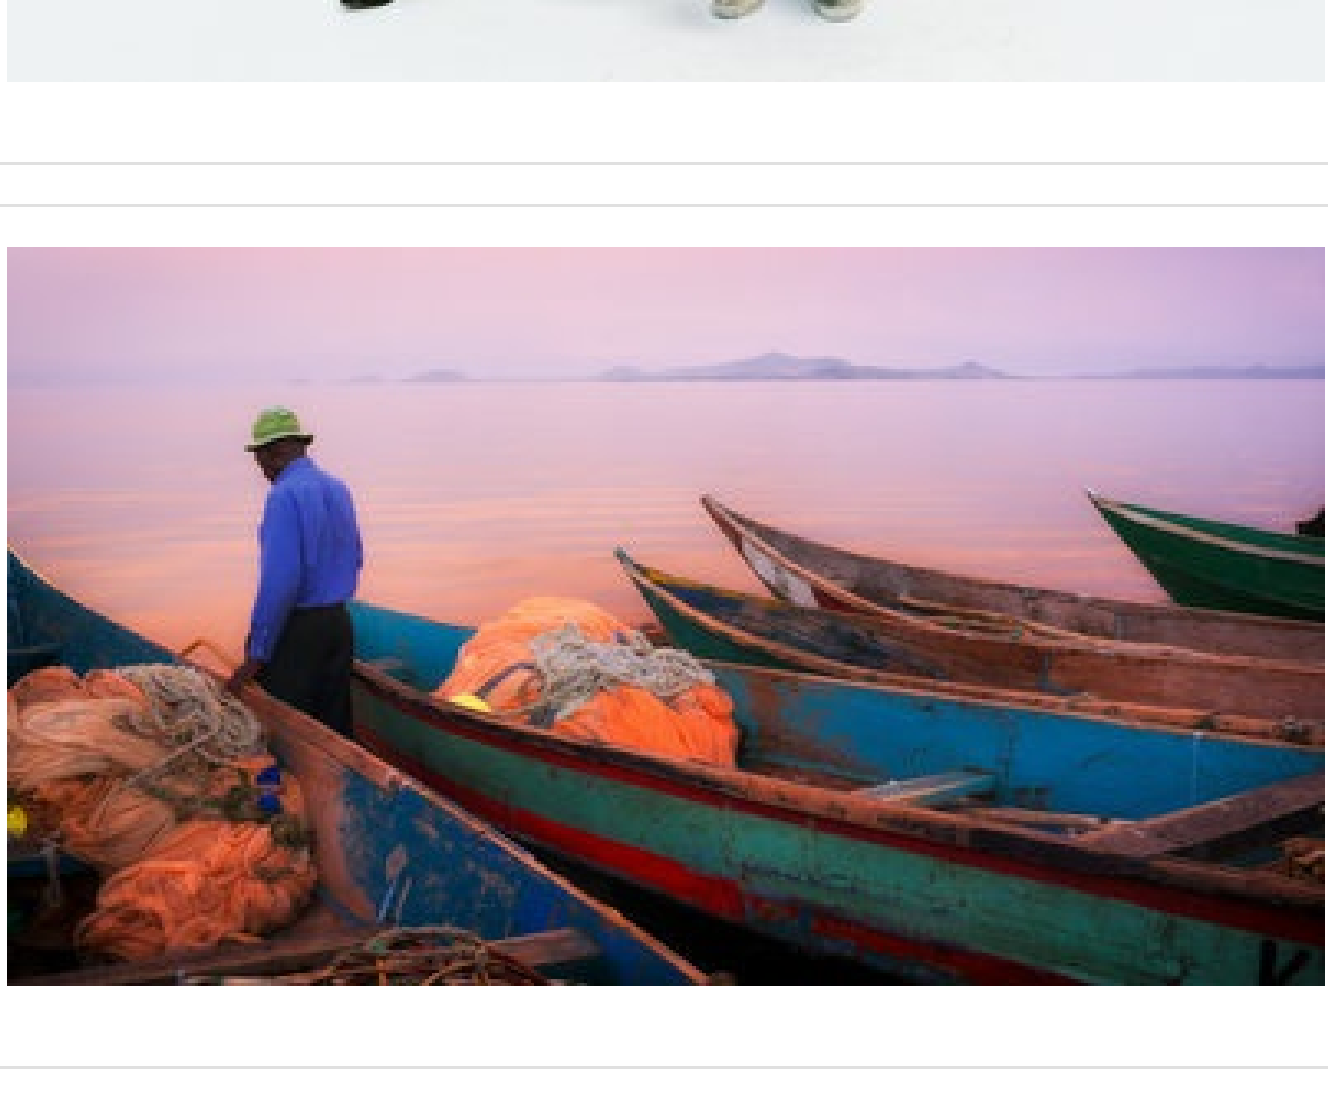

### Police Videos Aren't Going Away. How Can We Learn From Them?

## Sylvan Esso On The Pressure To Make Magic — Again

Once Amelia Meath and Nick Sanborn became famous as Sylvan Esso, they immediately felt the burdens of replicating their success. Three years after their electro-pop debut, they're back with What Now.
