Trump to Ease Restrictions on Religious Groups

The president in an executive order will roll back restrictions on political activity by houses of worship and declare that it is the administration's policy to protect and promote religious liberty.

VW Is Back and Rolling in Cash. And That Could Be a Problem

Volkswagen CEO Matthias Müller has brought the company back from an emissions-cheating scandal and returned it to strong profits. But VW also could be losing its incentive —and leverage—to change.

Shell Profit Soars as Oil Sector Bounces Back

Royal Dutch Shell reported a sharp increase in net profit in the first quarter, rounding off a bumper set of results for the world's biggest oil companies as years of cost-cutting and a fragile recovery in oil prices begin to pay off.

In French Election, Youth Reject Establishment in Search for Jobs Cure

Ahead of Sunday's vote, young people are showing overwhelmingly support of centrist candidate Emmanuel Macron, but are skeptical of his plans to tackle their most vexing challenge: landing a steady job.
