What's News

Yates Warned White House Flynn at Risk of Russia Blackmail

Former acting Attorney General Sally Yates told Congress she had warned a top White House official that then-national security adviser Mike Flynn had misled the vice president and others about his conversations with a top Russian diplomat, and that it had put him at risk of blackmail.

- Obama Warned Trump Against Hiring Flynn

Investors Lighten Up on U.S. Stocks, Betting on Europe

Investors are pulling money out of the U.S. stock market at one of the highest rates in years, moving billions of dollars to other markets and sealing back a long-held bet that U.S. growth would bring superior returns.

Investor Anxiety Drops to New Low

Investors are as sanguine about the stock market as they have been in almost a quarter of a century, according to one indicator, despite months of global political turmoil, showing comfort in strong corporate earnings.

- VIX Hits New Lows: What's Going On?

GOP Confronts Backlash Over Health Bill

House Republicans may have won the battle to pass a health-care overhaul, but the fight over public messaging could be critical to the shape of the bill that emerges from the Senate and to any final compromise.

THE DAILY SHOT
Unemployment Improves More in 'Red' States

Why Do Gas Station Prices Constantly Change? Blame the Algorithm

Retailers are using artificial-intelligence software to set optimal prices, which are sometimes higher than competitors. Some antitrust experts say such systems could raise prices for consumers.

The Never-Ending Performance Review

As companies move from annual performance reviews to more frequent evaluations, workers and bosses are coping with a flood of feedback. 'Why isn't once a year enough?'

- How Four Companies Evaluate Employees Year-Round

Macron's Next Test: Winning Control of France's Parliament

After winning his bid to lead France, Emmanuel Macron got to work on his next challenge: winning control of its parliament. His fledgling party needs to gain allies from both sides of the aisle to win a majority.

Business

Elliott Takes Akzo Nobel to Court to Oust Chairman in PPG Bid Battle

U.S. activist investor Elliott Management has asked a Dutch court to force Akzo Nobel to hold a special shareholder meeting seeking the removal of its chairman, its latest attempt to strong-arm the paint maker into sale talks with rival PPG.

Alipay and WeChat Pay Make Push Into U.S.

China's Alipay and WeChat Pay, which allow payments for groceries, movies and more with smartphones, are expanding into North America, hoping to ride waves of Chinese traveling abroad.

Amazon Plans to Unveil New Echo

Amazon is due to unveil a new Echo speaker with a screen that will incorporate video calling capabilities, according to people familiar with the matter.

Toshiba Partners Brace for Possible Bankruptcy Filing

Toshiba's business partners are preparing for a scenario in which the company seeks to reorganize under Japanese bankruptcy laws, with consequences for the global nuclear-power and electronics industries.

Markets

Goldman Shakes Up Leadership at Its Investment Bank

Goldman Sachs is making the biggest changes in a decade to the leaders of its investment-banking division, the firm's second-largest unit by revenue.

It's Time to Buy European Stocks—Sorta, Kinda, Maybe

Emmanuel Macron's victory is good news for investors, Europe is recovering perfectly well and investors ought to have some exposure to the region. Like Mr. Macron's voters, it is hard to be any more enthusiastic.

Hedge Funds Pitch 'Teletubbies,' Tesla at Sohn

Some of the biggest names of the hedge-fund world gathered Monday at the Sohn Investment Conference in New York to pitch their new investment ideas.

Stocks Gain as Investors Get Risk Appetite Back

European stocks inched higher in early trading, bolstered by late gains on Wall Street and a stabilization in commodity prices.

U.S.

Trump Is Getting Closer on Climate Change Decision

Factions in the Trump administration will debate what the president should do about U.S. participation in the Paris agreement and may present a formal recommendation on Tuesday at a national security meeting.

- EU Encourages Trump Administration to Support Climate Deal

Appellate Judges Review Trump's Travel Ban

Federal appeals court judges weighed Monday whether they should consider President Donald Trump's previous statements supporting a complete ban on Muslims entering the country when ruling on his revised order to suspend travel from six Muslim-majority countries.

Despite Setbacks, Trump's Trade Warrior Is Fighting On

The White House's most hawkish trade adviser, Peter Navarro, says the administration is still pushing to win concessions from trading partners even though the president has softened some positions.

Chicago Police Warn Officers of Assault-Style Weapons Threat

Chicago's police officers have been warned of the increasing use by gang members of rifles able to pierce police body armor, after a spate of shootings with assault-style weapons.

President Trump Nominates 10 for Federal Courts

President Donald Trump began to make his mark on the lower federal courts on Monday with 10 judicial nominations that drew praise from conservative legal groups and concern from their liberal counterparts.

World

Sub-Saharan Africa at Risk of Long-Term Slowdown, IMF Warns

Sub-Saharan Africa risks becoming poorer in per capita terms after years of fast-paced growth, the IMF warned.

Indonesian Court Sentences Jakarta Governor to Prison

An Indonesian court sentenced the minority Christian governor of Jakarta to two years imprisonment for blasphemy against Islam in a case that showed the growing strength of Islamist hard-liners in the world's largest Muslim-majority country.

Former Minister Warns of Civil War in Venezuela

Nationwide protests are spreading beyond President Nicolás Maduro's control and risk morphing into civil war, said a retired Venezuelan General who was in charge of suppressing the last wave of unrest three years ago.

A Taliban flag flies over a grave in a cemetery where Afghan soldiers are also buried.

Taliban Govern Afghan Villages, Making Insurgents Harder to Oust

The Taliban have expanded their military fight into a drive to administer villages across the country, deepening the formidable challenge U.S.-backed forces face in trying to uproot the insurgency.
