No Health Insurance? Didn't Check the Box on Your 1040 Tax Form? So What?

By Eric Pianin

This was once white-knuckle time for millions of taxpayers as they faced the final hours for filing their federal income tax returns while debating whether to check a box on the form showing that...

Why Trump Is Afraid to Fire the Consumer Watchdog He Wants Gone

By David Dayen

Trump can't fire CFPB chief Richard Cordray unless he wants his whole life — even his taxes — broadcast in open court

Real Tax Reform Is Eluding Trump—Will He Go for the 'Candy Option'?

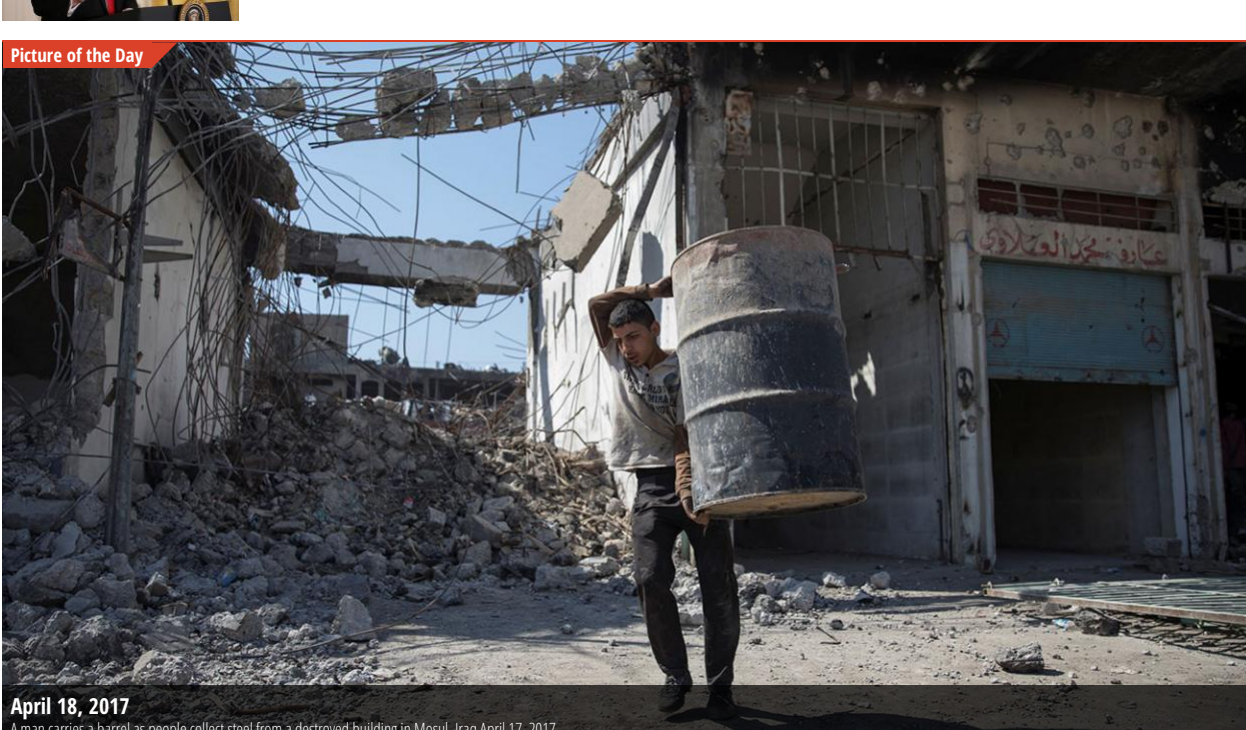

By Rob Garver

The prospects for comprehensive tax reform seem to be slipping further into an uncertain future, a top Trump administration official concedes in an interview published today, even as other reports...

Tax Day 2017: Where to Get Free Stuff and Special Deals

By Donna Doyle, dealnews.com

The days inch ever closer to April 18 and some of us are still scrambling to get our taxes filed in time. If this rings true for you, you can look forward to Tax Day for one reason — free stuff! Lots...

New Forecast Sees Steady Upturn in the Economy

By Eric Pianin

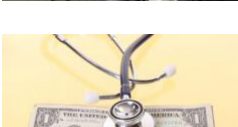

After a dramatic surge in the economy and the markets in the early going of the Trump administration, job creation has tapered off and the markets have grown jittery in the face of mounting tensions...

This Russian RoboSoldier Can Fire a Glock With Each 'Hand'

By Ciro Scotti

With heightened tensions around the world, the Russians have released a video of what could be a component of remotely fought conflicts — a robot that can fire the handguns it is gripping in each...

Why Congress Goes for the "Gold" When They Sign Up for Obamacare

By Eric Pianin

Republican lawmakers are getting hammered back home again for backing their leadership's star-crossed bill to repeal and replace the Affordable Care Act, despite warnings that the legislation if...

North Korea's Nuclear Program Funded by Slavery, Hacking, and Chinese Cash

By Rob Garver

With its young leader threatening another nuclear test, and its public acknowledgment that its long-term goal is to be able to deliver a nuclear weapon to the United States, the question of where...
