Exxon Seeks U.S. Waiver to Resume Russia Oil Venture

Exxon Mobil has applied to the Treasury Department for a waiver from U.S. sanctions on Russia in a bid to resume its venture with state oil giant Rosneft forged in 2012 by then-CEO Rex Tillerson. 222

- A Treasury Office's Outsize Role in Sanctions

Ousted Arconic CEO Sent Vague Threat to Hedge-Fund Boss

The letter that cost Klaus Kleinfeld his job as CEO of aerospace-parts maker Arconic contained a vague threat toward the billionaire whose hedge fund had been campaigning for Mr. Kleinfeld's ouster.

Read Klaus Kleinfeld's Letter

A \$3.5 Billion Startup Exposed Hospital's Data Without Permission

Cybersecurity firm Tanium spent years pitching its software by showing it working in a client's network—something the client, a California hospital, says Tanium never had permission to do. 87

Bill O'Reilly Won't Return to Fox News, Company Says

Fox News announced the departure of Bill O'Reilly in the wake of a sexual-harassment scandal, bringing an end to the host's two-decade run at the TV network. 2193

THE DAILY SHOT  
The Smell of Bloated Gasoline Inventories Sends Traders for the Exits

A majority of new cars in Japan are equipped with technology like automatic braking where the vehicles control themselves in certain cases. It's a contrast with the U.S., where those features have yet to go mainstream.

In Japan, Technology Helps Seniors Hit the Brakes, Not the Gas

Japan is taking the lead on adopting some of the world's newest driving technologies, largely because it has to accommodate some of the world's oldest drivers.

French Industrial Decline Fuels Le Pen's Rise

Far-right nationalist Marine Le Pen has surged in industrial cities like Amiens, where Whirlpool's decision to close a factory has helped the candidate tap into voter anger with the European Union and political elite.

Virtual Reality Films Push Into the Mainstream

Kathryn Bigelow, Alejandro G. Iñárritu and Megan Ellison are behind a wave of new virtual-reality projects, as the entertainment industry dedicates new levels of talent, money and time to VR. There is a premium on original stories, award-worthy performances, Hollywood production values and a pinch of celebrity.

Publicis Dragged Down by Loss of U.S. Accounts

French ad company reports a drop in underlying revenue in the first quarter, but chief executive says underlying sales in the second quarter should show improvement.

Tesla Settles Lawsuit Against Former Autopilot Director

Tesla has settled a lawsuit against the former director of its semiautonomous Autopilot system, clearing the way for one of the stars among self-driving cars to build his own company that could become a threat to the Silicon Valley car maker.

Unilever and Nestlé Struggle with Cautious U.S. Consumers

Unilever and Nestlé reported first-quarter sales that were weighed down by cautious spending in the U.S. and Western Europe, forcing both companies to rely on emerging markets for growth.
