

What's News

Trump Gambles on Big Health Victory

The White House is pursuing a twisting path in Congress this week, yielding to Democratic demands on a major spending bill while aggressively pushing a partisan health-care measure, gambling on a big win on health but risking setbacks on both fronts. 388

Aetna to Pull Back Further From Health Exchanges

Aetna will again scale back its presence in the Affordable Care Act exchanges in 2018, saying losses on the business continue to mount. The insurer's scuttled merger with Humana added to its losses in the latest quarter.

Facebook's Female Engineers Claim Gender Bias

An analysis last year by a longtime engineer at Facebook found female engineers received 35% more rejections of their code than men, setting off an internal debate over gender bias. A later study rejected those findings.

When Bank CEO Went to Bat for an In-Law, a Powerful Client Cried Foul

Jes Staley, chief executive of Barclays, angered client KKR when he interceded for his brother-in-law with potential investors, after KKR's purchase of the family business went sour.

BP Swings to Profit as Oil Sector Shakes Off Woes

BP was the latest big oil company to report a sharp increase in profit, adding to optimism that the sector may have passed the worst following the dramatic slump in energy prices

Pfizer Revenue Falls as Drugs Lose Exclusivity

Pfizer said revenue fell in its latest quarter as some legacy drugs lost market exclusivity.

Mylan Chairman Received Nearly \$100 Million Last Year

Mylan disclosed Chairman Robert J. Coury received nearly \$100 million last year, among the largest 2016 pay packages, even as the drugmaker was buffeted by a furor over hefty price increases on its lifesaving EpiPen.

Samsung Gets Green Light to Test Self-Driving Cars

Samsung has received regulatory approval to test a self-driving car in its home market, a reflection of the South Korean technology giant's growing ambitions in the auto industry.

Goldman Sachs Embraces Banking's Bland Side: Lending Money

The investment bank, seeking growth beyond its elite Wall Street turf, is moving to finance corporate takeovers, lend against mansions and make personal loans for things such as kitchen remodels.

- Goldman Misses Big on Trading (April 18)

IRAs Mostly Serve People Who Need Them the Least

More than 40 years after Congress created individual retirement accounts, a new analysis finds the plans aren't fulfilling their mission: to give workers without employer-sponsored programs access to tax-advantaged retirement savings. Instead, they are mostly used by people rolling over retirement savings they already have in a 401(k) workplace plan.
