Trump transition team warned Flynn about contacts with Russian ambassador

Weeks before a phone call that led to Michael Flynn's resignation, the former national security adviser was told that Russian Ambassador Sergey Kislyak's conversations were almost certainly being monitored by U.S. intelligence agencies.

The Fix Analysis

Health-care plan could launch ugly battles in state legislatures

Even if a watered-down version of House Republicans' legislation becomes law, states are probably going to be on the book for billions of dollars of health-care costs, especially for the poor and sick.

An ambitious Republican finds himself in the crossfire as political divides deepen

France starts probing 'massive' hack of emails and documents reported by Macron campaign

The announcement from the front-runner in France's presidential election came shortly before the official end to campaigning. It stoked fears of a targeted operation to destabilize the electoral process — especially after reports of alleged Russian meddling in last year's U.S. election.

Pulitzer Prize-winning reporting: Uncovering Trump

In February 2016, presidential candidate Donald Trump promised \$6 million in donations, including \$1 million from his own pocket, to charities along his campaign trail. Months later, he had donated far less than he pledged. Post reporter David A. Fahrenthold went in search of the missing money and found a bigger story than he ever expected.
