### Don't Screen For Thyroid Cancer, Task Force Says

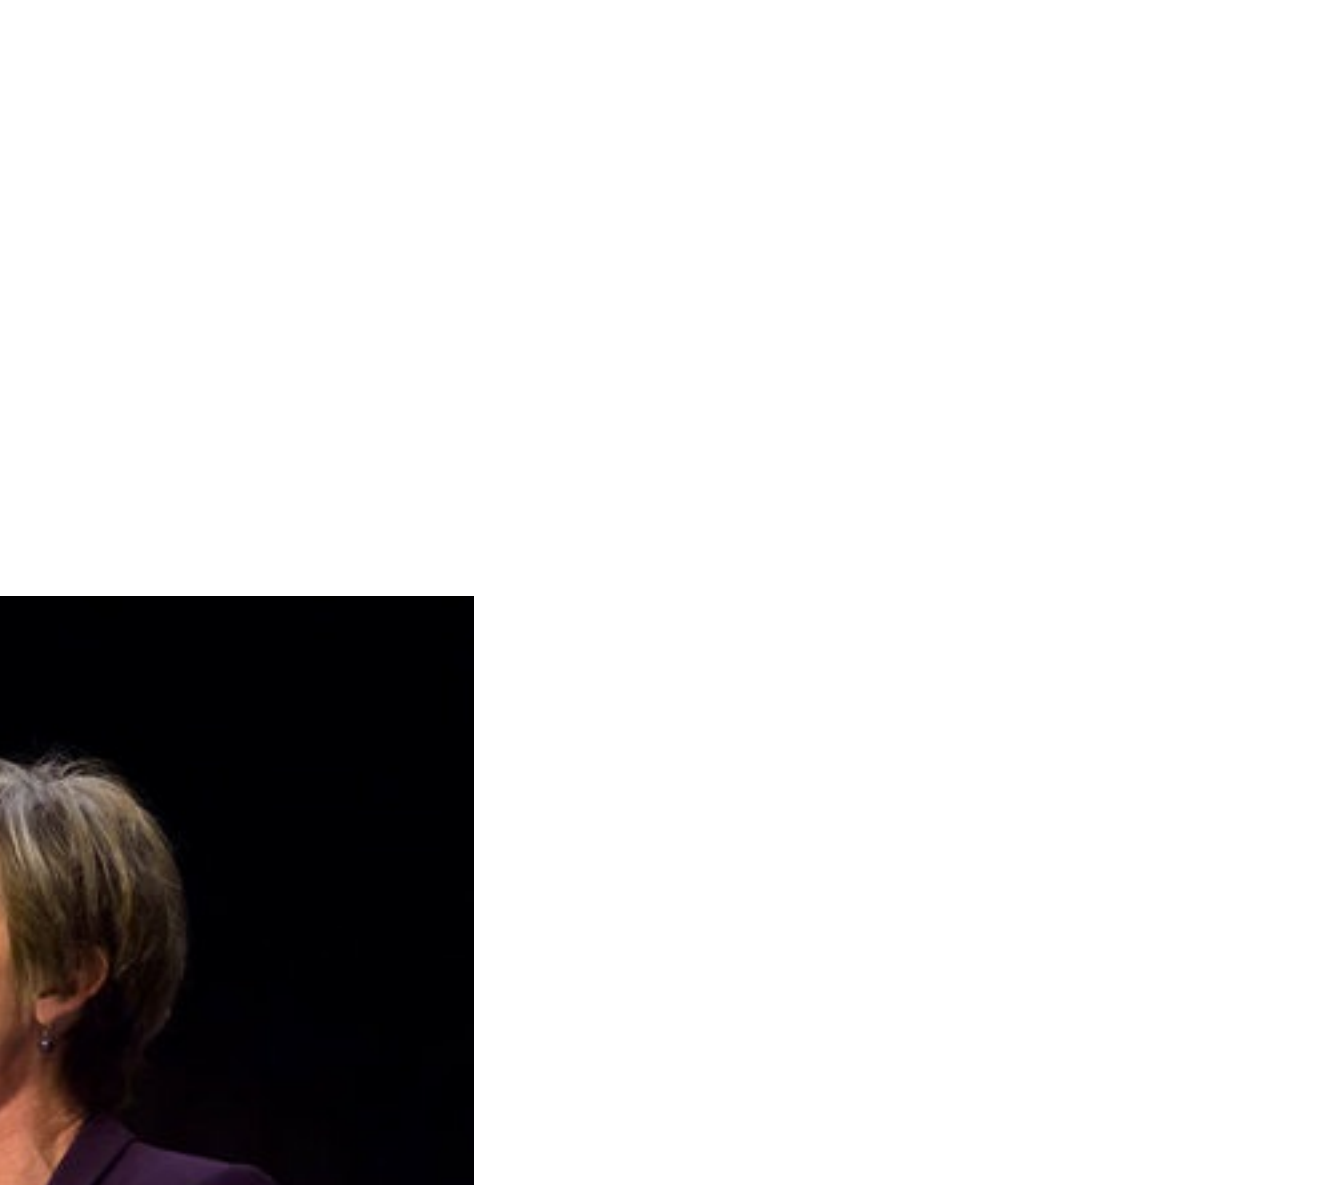

A federal task force says the risks of screening outweigh benefits. Many thyroid growths never develop into dangerous cancers, and overdiagnosis can lead people to have unnecessary surgery.

### Medicare Didn't Investigate Suspicious Reports Of Hospital Infections

KAISER HEALTH NEWS

The inspector general at Health and Human Services says that Medicare should have done an in-depth review of suspicious reports from hospitals, to keep them from covering up problems with infections.
