Avalanche Of Mud And Water Kills More Than 125 In Colombian City

Colombia's president declared a state of emergency in Mocoa, where at least 200 people are missing after overflowing rivers swept through homes and killed residents while they slept.

POLITICS

A Presidency Stalled And Sputtering

President Trump hasn't moved beyond executive actions, something a president normally resorts to when he can't get anything done legislatively. That's not a good sign for Trump's agenda.
