

What's News

Facing a Filibuster on Gorsuch, GOP Vows a Rule Change

Senate Democrats have enough votes to mount a filibuster that would block consideration of Judge Neil Gorsuch, setting up a likely move by Republicans to end the 60-vote requirement on Supreme Court nominees. 924

Why Trump, Against His Instincts, Spared Iraq From the Travel Ban

National-security officials, after getting an earful from Iraq on why it did not belong on a list of restricted countries, quietly made their case to the president—who grudgingly revised his order. 97

Tech Founders Want IPO Riches Without Those Pesky Shareholders

In a growing number of stock offerings, insiders are winding up with far more votes than shares. Snap’s new shareholders in last month’s IPO got no say in how the disappearing-message app company is run.

Revised Trust Allows Donald Trump to Withdraw Funds Without Public Disclosure

President Trump can draw money from his business empire as its trustees see fit without disclosing it publicly, according to a revised version of his trust, a change that ethics experts say blurs the lines between the Trump Organization and his administration.

Warren Buffett Helps Launch Cherry Coke in China

Well-known soda drinker Warren Buffett has lent his likeness to Coca-Cola to promote the Chinese release of Cherry Coke.

Contributor Sues Fox, Claiming Harassment by Roger Ailes

Fox News contributor Julie Roginsky filed a lawsuit alleging she was sexually harassed by the cable network’s former chairman, Roger Ailes, and that he and other executives retaliated when she rejected his unwanted sexual advances. 79

Markets

Forget About the ‘Trump Trade’ Narrative

U.S. stocks that are most likely to benefit from infrastructure spending and deregulation have slumped into correction territory, meaning that they’re down more than 10% from their recent highs.

STREETWISE

Dollars Are Now Flowing (Almost) Normally Again

A global shortage of dollars that distorted the money markets for the past two years is easing, even as the Federal Reserve is trying to tighten monetary policy.

AHEAD OF THE TAPE

This Volatility Warning Has a Different Ring to It Today

Extreme volatility hasn’t played out like James Dimon predicted a year ago, but low volatility is creating a whole bunch of new concerns.

World

A Clear Winner in Syria’s Civil War: Hezbollah

Hezbollah, the Lebanese militant group labeled a terror organization by the U.S., has grown stronger through its support of the Assad regime, battling Syrian rebels alongside Russian forces and training local Shiite fighters. Hezbollah today is in command of a new Syrian militia that its officials say is ready to be deployed to other conflicts in the region. 131

Pressure Heats Up on Venezuelan President, Even as He Backs Down

President Nicolás Maduro’s decision to scrap a court order that dissolved congress has brought Venezuela back from the brink of an unprecedented constitutional crisis, but has also exposed divisions within the government and limits to Mr. Maduro’s increasingly authoritarian rule.

Japan’s Ambassador to Return to South Korea

Japan’s ambassador to South Korea, withdrawn three months ago amid a dispute over the countries’ wartime past, will return to Seoul on Tuesday to bolster coordination in dealing with North Korea.

Sports

The Tournament Heroes Betrayed by History

Every game-changing last second shot in the NCAA tournament makes one college player a legend and in most cases, makes another player irrelevant: The guy who made the shot before the shot.
