

What's News

House Will Vote Thursday on GOP Health-Care Bill

The House vote on the Republican bill to replace most of the Affordable Care Act is a show of confidence by GOP leaders, who have struggled for weeks to secure the votes. 620

Health-Care Holdouts in the House

House Passes Spending Bill That Excludes Some Trump Priorities

The House passed a \$1.1 trillion bill to fund the government, a big step toward avoiding a government shutdown. The Senate is also expected to pass the legislation, which is being touted as a win by both parties but excludes a number of President Donald Trump's top priorities. 114

Comey Defends Handling of Clinton Email Investigation

FBI Director James Comey defended his decision to alert Congress about a reopened probe into Hillary Clinton's emails shortly before the election, but said it made him "mildly nauseous" to think it might have affected the vote. 812

SEC Probes Solar Companies Over Customer Cancellations

Federal regulators are investigating whether solar-energy companies are masking how many customers they are losing, according to a person familiar with the matter. 67

Wall Street Pushes Back on Mnuchin's Idea of Ultralong Debt

A key advisory committee at the Treasury Department is pouring cold water on Treasury Secretary Steven Mnuchin's idea to create 50-year and 100-year U.S. bonds, arguing that the expected buyers of the securities won't have much interest.

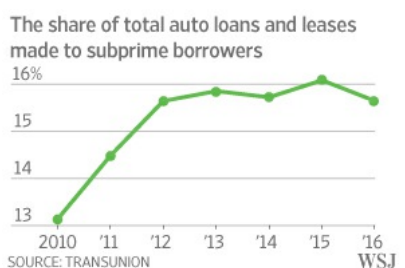

Early Signs Point to Longevity of Earnings Jump

Wall Street analysts are lowering their earnings forecasts at the slowest pace since 2014. On top of that, companies are offering more positive guidance.

Embattled Mortgage Lender Home Capital in Talks With Possible Buyers

Embattled Home Capital Group Inc., which is scrambling to stem a dramatic exodus of deposits, has entered discussions with potential buyers, people familiar with the matter said.

Business

Banks Pull Back on Car Loans as Used-Auto Prices Plummet

After years of revving up auto loans, the banking industry is sounding a more cautious tone—and it's being felt on car lots. The declines are mostly occurring in lending to riskier borrowers, in particular those with low credit scores, where lending had ramped up for years. 93
