Republicans Are Trying Again on Obamacare Repeal: Here's the New Plan

By Rob Garver

A revived Republican health care plan pushes much of the difficult decision-making about the future of health insurance in the U.S. down to the state level. On Thursday morning, Politico published a...

How Hidden Fees Cost State Pension Funds Billions

By John W. Schoen, CNBC

When it comes to investment advice, you don't always get what you pay for. And when it comes to state pensions, it's not even clear how much those funds' advisors are getting paid. That's the...

Why Small Scale MLP M&A Should Not Be Ignored

Shifting focus to prepare for the next large growth opportunity

Behind the Campaign to Kill the Trillion-Dollar Border-Adjustment Tax

By Giro Scotti

If you think the fight over the Republican plan to replace Obamacare was ugly, here's a small sign of the nastiness to come in the battle for tax reform. On Tuesday, the conservative Club for Growth...

The Tax Credit Both Parties Support - Except It's Rife With Fraud

By Eric Pianin

Wisconsin Gov. Scott Walker, a conservative Republican who briefly sought his party's presidential nomination in 2016, proposed on Tuesday boosting his state's version of the Earned Income Tax Credit...

Russia Accuses US of 'Meddling' in Its Elections

By Rob Garver

Since last summer, US officials have publicly accused the Russian government of interfering in the US presidential election by having computer hackers steal data from the Democratic Party and...

Picture of the Day

April 20, 2017 Photographers take pictures as the Soyuz MS-04 spacecraft carrying the crew of Jack Fischer of the U.S. and Fyodor Yurchikhin of Russia blasts off to the International Space Station (ISS) from the launchpad at the Baikonur Cosmodrome, Kazakhstan, April 20, 2017.

Here's Why Trump Should Forget the Wall and Push for E-Verify

By Liz Peek

During the campaign, Trump promised to erect a permanent barrier between the U.S. and Mexico and claimed that our southern neighbor would pay for it. Achieving either of those ambitions appears in...

Steve Ballmer Launches Data Project Showing How Government Spends Your Money

By Mark Fahey, CNBC

Former Microsoft CEO Steve Ballmer isn't satisfied with owning the Los Angeles Clippers and teaching at Stanford and USC. He's also trying to improve political discourse by making government...

Trump's Wall, By One Estimate, Could Cost \$70 Billion

By Rob Garver

If President Trump wants to see his border wall completed while he is still in office, he may have to convince members of Congress to cough up a lot more money than he originally promised the project...

United Airlines Has Another Major Problem

By Benjamin Zhang, Business Insider

On Tuesday, United Airlines reported their financial result for the first quarter of 2017. United beat analyst forecasts of \$0.38 per share and \$8.38 billion operating revenue by posting adjusted...

Trump and Top GOP Voice on Foreign Relations Are at Odds Over Turkey

By Rob Garver

President Donald Trump and his top foreign policy ally in the House of Representatives increasingly seem to be on different pages when it comes to major international issues.
