GOATS AND SODA

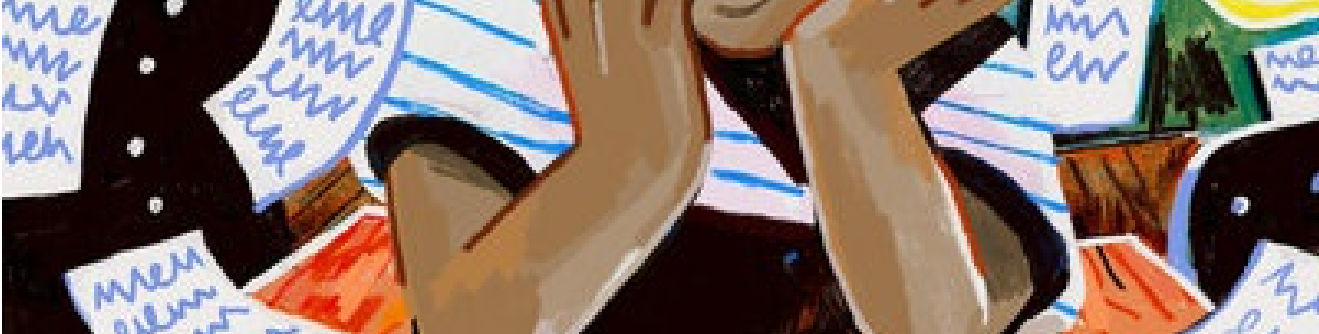

Can You Still Have Hope When Life Seems Hopeless?

We interviewed Rohingya refugees in Bangladesh and asked about their hopes for the future. We were shaken by their answers.

NPR ED

His Teacher Told Him He Wouldn't Go To College, Then He Did

African-American students with disabilities are disciplined far more and graduate far less than their counterparts, researchers say. What needs to change to help more succeed?

ALL TECH CONSIDERED

Dogs Are Doggos: An Internet Language Built Around Love For The Puppies

The science community feels threatened under the current administration. Researchers, educators and activists took to the nation's capital to stress that cuts to scientific funding affect us all.

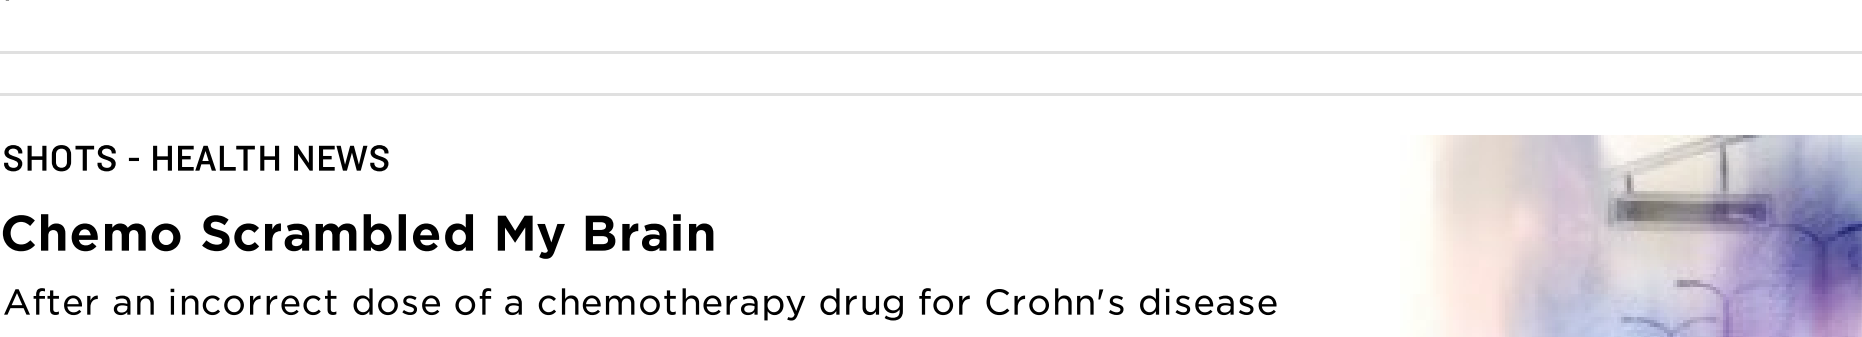

SHOTS - HEALTH NEWS

Chemo Scrambled My Brain

After an incorrect dose of a chemotherapy drug for Crohn's disease caused Anne Webster's bone marrow to shut down, she decided that, if she survived, she'd write about her experience.

Juicero CEO Says Luxury Juicer Is 'Much More' Than Juice; Internet Is Unimpressed

The company says its \$400 machine cold-presses juice out of packets sold via subscription. Then a Bloomberg News video showed people didn't actually need the press to get juice from the packets.

THE SALT

Is It Safe To Eat Moldy Bread?

No, say food safety experts. Molds can easily penetrate deep into a soft food, like bread. But you can salvage other foods with tougher surfaces, like cabbages, carrots and hard cheeses.
