**Asian stocks climb, euro surrenders gains as French election jitters return**

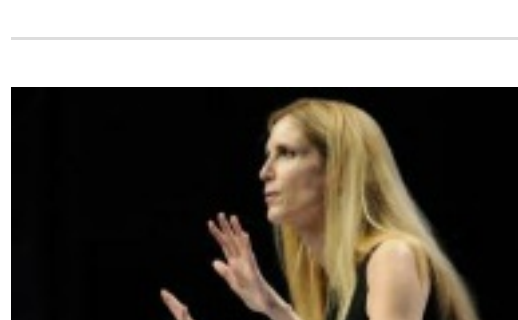

Asian stocks were set to end the week with a bang, lifted by bets on strong U.S. earnings and tax reform, while the euro retreated from a three-week high as jitters returned over French presidential elections on Sunday after a shooting in Paris.

11:17PM EDT

**Trump targets cheap Chinese steel in probe, rallying U.S. steel stocks**

President Donald Trump on Thursday launched a trade probe against China and other exporters of cheap steel into the U.S. market, raising the possibility of new tariffs and sending shares of some U.S. steel makers up over 8 percent.
