Trump Gambles on Big Health Victory

The White House is pursuing a twisting path in Congress this week, yielding to Democratic demands on a major spending bill while aggressively pushing a partisan health-care measure, gambling on a big win on health but risking setbacks on both fronts. 137

White House Preparing to Replace Top Banking Regulator

The Trump administration, looking to make its first major imprint on U.S. banking regulators, is preparing to replace Comptroller of the Currency Thomas Curry as chief overseer of federally chartered banks.

Greece Reaches Bailout Agreement With Creditors

Greece and its international creditors reached an agreement on the austerity measures and economic overhauls the country must implement to keep its bailout program going, clearing the way for debt-relief talks.

Screenwriters' Strike Averted in Last Minute Deal

After weeks of acrimonious talks between the Writers Guild of America and the Alliance of Motion Picture and Television Producers, a tentative new deal has been reached.

IMF: Saudi Middle Class Needs to Live Without State Help

The sharing of oil wealth through government jobs and lavish subsidies is no longer sustainable for Saudi Arabia and its neighbors in the Middle East, the International Monetary Fund says.

Asian Leaders Are Drawn Into U.S. Push on North Korea

President Trump invited leaders of Thailand, Singapore and Philippines to the White House in a bid to build cooperation in Southeast Asia against North Korea. The three countries have long ties with the U.S., though relations have cooled dramatically with Manila since President Rodrigo Duterte embarked on a violent war on drugs.

NATO Considers New Counterterrorism Post Following Trump Demands

The North Atlantic Treaty Organization is considering appointing a senior official to oversee counterterrorism efforts, a move aimed at meeting one of President Donald Trump's demands that the alliance focus more on terror threats.

Hamas Drops Explicit Call for Israel's Destruction

The Palestinian Islamist movement, which rules the Gaza Strip, also formally accepts the notion of a Palestinian state in territories Israel captured in the 1967 Middle East war. 282
