At Town Hall Meeting, Republican Lawmaker Gets An Earful

NCPR

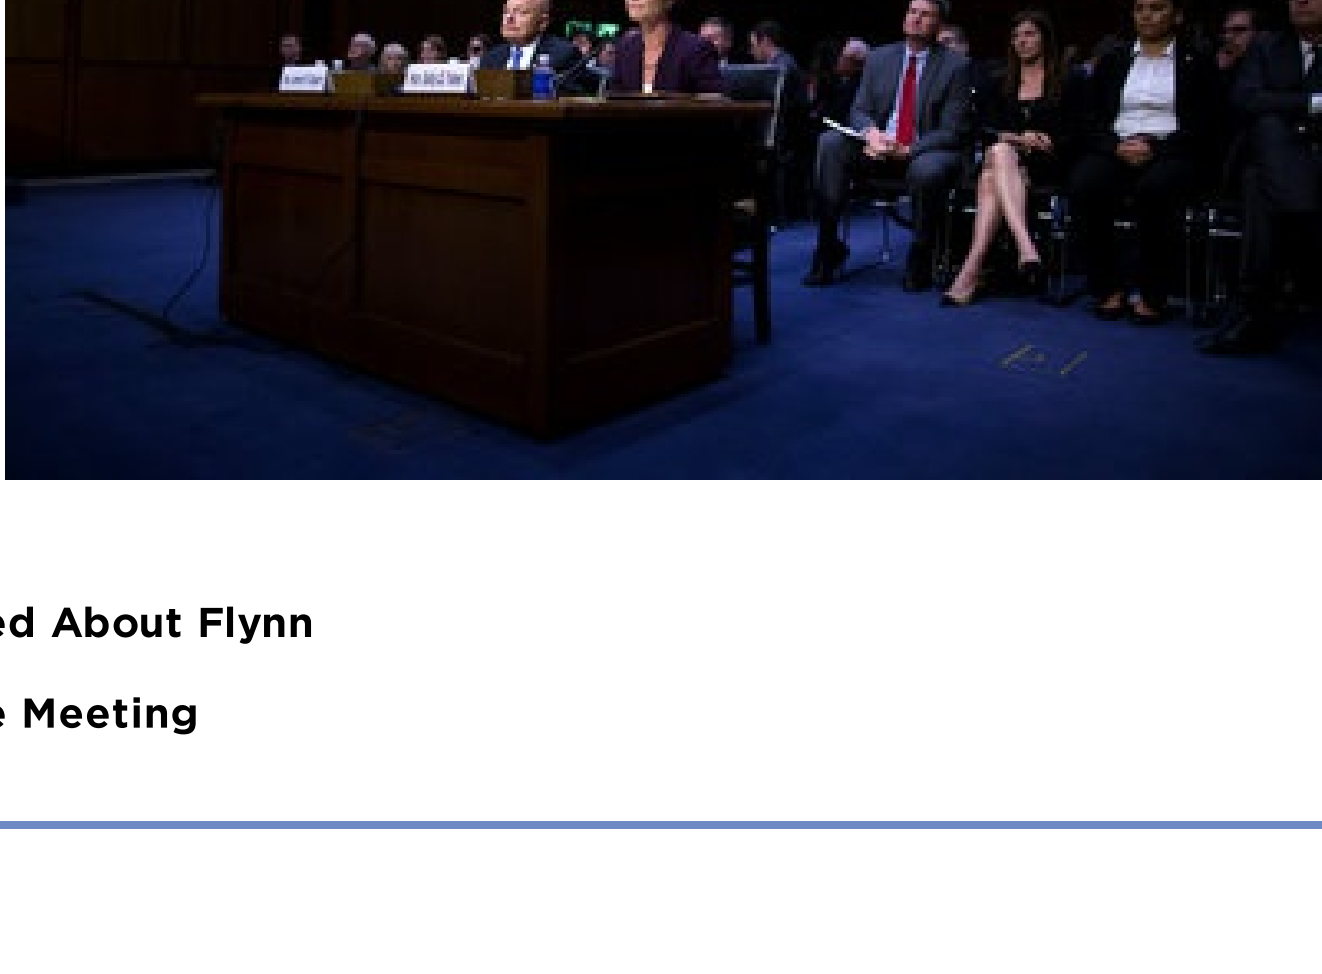

Rep. Elise Stefanik of New York was one of the few Republican House members to hold a town hall following passage of the American Health Care Act. Her constituents were not happy.

Medicare Didn't Investigate Suspicious Reports Of Hospital Infections

KAISER HEALTH NEWS

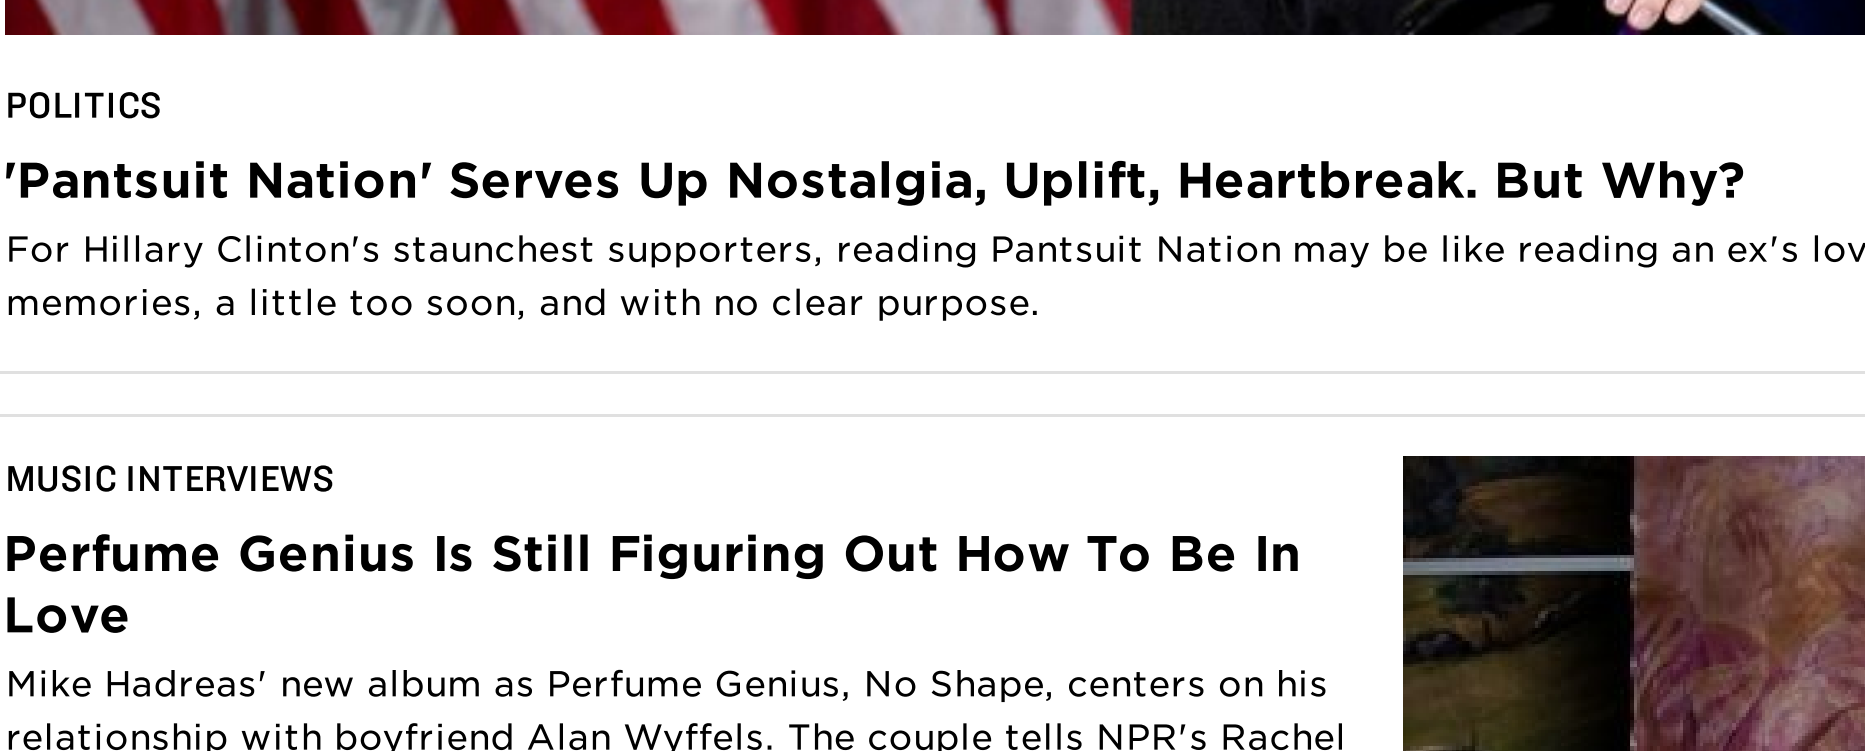

The inspector general at Health and Human Services says that Medicare should have done an in-depth review of suspicious reports from hospitals, to keep them from covering up problems with infections.

'Pantsuit Nation' Serves Up Nostalgia, Uplift, Heartbreak. But Why?

For Hillary Clinton's staunchest supporters, reading Pantsuit Nation may be like reading an ex's love letters just after a breakup: a flood of memories, a little too soon, and with no clear purpose.

GOP Health Bill Leaves Many 'Pre-Existing Condition' Protections Up To States

KBIA

Before the Affordable Care Act, people with pre-existing conditions often couldn't get health insurance — or paid sky-high premiums. The Republican bill passed by the House last week would let states decide.
