Stocks fell and bonds rose in Asia on Thursday, with risk appetite soured by signs the Federal Reserve might start paring its king-sized asset holdings later this year just as the chance of early U.S. fiscal stimulus faded further.

11:41PM EDT

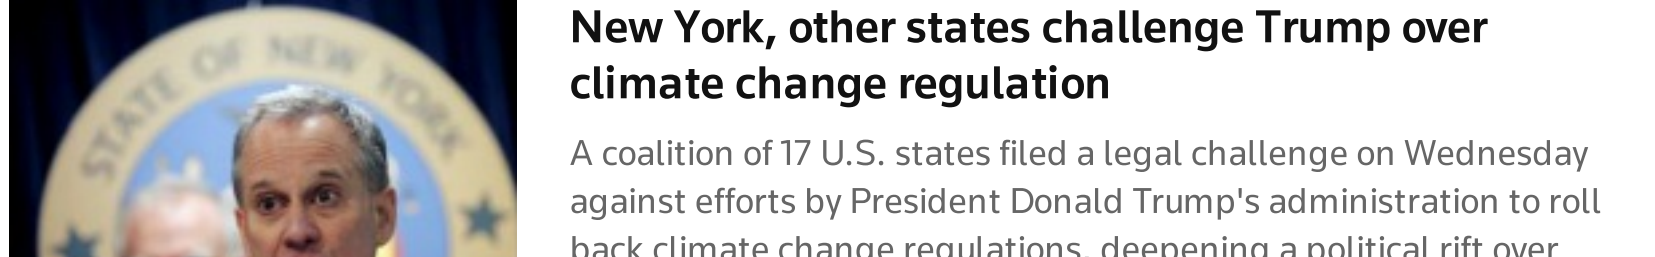

PepsiCo pulled a commercial featuring model Kendall Jenner on Wednesday after the ad prompted outrage and ridicule from those who said it trivialized rights protests and public unrest in the United States.

8:16PM EDT

Amazon.com founder Jeff Bezos said on Wednesday he is selling about \$1 billion worth of the internet retailer's stock annually to fund his Blue Origin rocket company, which aims to launch paying passengers on 11-minute space rides starting next year.

9:35PM EDT

A coalition of 17 U.S. states filed a legal challenge on Wednesday against efforts by President Donald Trump's administration to roll back climate change regulations, deepening a political rift over his emerging energy policies.

6:57PM EDT

Florida lawmakers advanced a measure on Wednesday that could make it easier to avoid prosecution in deadly shootings and other use-of-force cases by seeking immunity on self-defense grounds under the state's pioneering "stand your ground" law.

8:11PM EDT

Centrist Emmanuel Macron's lead in France's presidential election has narrowed though he is still on course to win, two polls casting light on voter intentions following a televised debate between candidates showed.
