

What's News

In ‘Buy American’ Push, Trump Is Starting in a Hole

Foreign-owned companies received more money from federal contracts in the past three months than in any corresponding period in a decade, and President Donald Trump has limited power to buck that trend.

Arkansas Executes Inmate After Court Clears Obstacles

Arkansas put to death a 51-year-old convicted murderer, the first of eight executions officials had planned to carry out in quick succession this month, before the expiration of the state's lethal injection drugs.

Trump, GOP Race to Avoid Government Shutdown

The president and his allies in Congress are rushing to avoid a government shutdown while reviving a failed overhaul of the Affordable Care Act.

Business

GM Ceases Venezuela Operations After Plant Is Seized

General Motors became the latest multinational company to exit what used to be South America's most lucrative consumer market, following the seizure of its plant linked to a court case.

Prince Tribute Concert at Center of New Dispute

The messy affairs of late pop star Prince became even more tangled Wednesday, as two of the singer's half-brothers suggested the bank that previously oversaw the estate's presidency may have breached its fiduciary commitments.

Verizon Customers Defect as Competition Ramps Up

Verizon Communications is having to slash prices and offer more data to stem an unprecedented wave of customer losses, a maneuver that benefits consumers but hurts its bottom line.

Elon Musk Lays Out Plans to Meld Brains and Computers

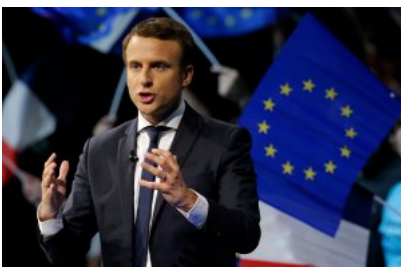

Billionaire Elon Musk confirmed plans for his newest company called Neuralink, revealing he will be the chief executive of a startup that aims to merge computers with brains so humans could one day engage in "consensual telepathy."

Markets

He Rides a Decrepit Bike and Owns a French Vineyard: The Unconventional World of Bank CEO Bob Wilmers

Bob Wilmers is CEO of M&T Bank, a Buffalo, N.Y.-based lender that from the outside appears to be just another boring regional bank. That doesn't account for Mr. Wilmers, who owns a vineyard in France's Bordeaux region and rides to work on a decrepit bicycle.

French Stocks Lag Global Rally Ahead of Election

Global stocks mostly followed Wall Street higher Friday, even as French shares lagged behind on the final trading day before the country's contentious presidential elections.

AHEAD OF THE TAPE

GE Is Overdue for Some Good News

GE's earnings report Friday could be the needed catalyst to get the conglomerate's shares going again.

Banks and Borrowers are Waiting on Washington

Regional banks are seeing both optimism and angst in the American heartland, reporting that their customers are waiting for clues from Washington before taking action.

Tech

Galaxy S8 Complaints Throw Shade on Samsung's U.S. Launch

Samsung needs a seamless launch in the U.S. this week for its flagship Galaxy S8 smartphone to help win back consumer trust following its costly recall last year of the S7. But some customers in South Korea are already complaining that their screens have a red hue.

World

Looking for Fun in Iraq? Bingo!

In Erbil, people find hours of distraction from Iraq's troubles by playing a version of bingo known locally as tombola.

Iran's Ahmadinejad Barred From Presidential Run

Iran's Guardian Council excluded former President Mahmoud Ahmadinejad from making a fresh run at the country's presidency after he defied the advice of Supreme Leader Ayatollah Ali Khamenei by registering for its coming election.

Utah Plans for Vote as Chaffetz Weighs Early Exit

The Republican who leads the House committee primarily responsible for oversight of the federal government said he may leave Congress before his term ends.

Trump Joins Criticism of Iran; Questions U.S. Role in Libya

President Donald Trump, adding to strong criticism of the Iran nuclear deal voiced by his administration, said that Tehran is "not living up to the spirit of the agreement." Mr. Trump also questioned another key U.S. policy position in the Middle East—its role in Libya.
