HEARD ON THE STREET

Sony Finds Success in All the Right Places

Sony reported strong results Friday but what should excite investors are the rosy forecasts for the future.

Time Abandons Plan to Sell Itself

Time Inc., the storied magazine publisher turned struggling online media company, has decided not to sell itself despite generating interest from various parties.

Truck, SUV Sales Power GM's Profit

GM's first-quarter net income rose 34%, as strong sales of pickup trucks and SUVs in the U.S. continue to offset softening in the car market and troubles in regions like South America.

Qualcomm Warns of Lower Profit as Apple Dispute Bites

Qualcomm slashed its profit forecast, saying it no longer expects any patent-licensing revenue from the iPhone in the current quarter as a result of its increasingly bitter legal battle with Apple.

Uber Interviews Heavyweights for a Key Job: Handling Its CEO

The ride-sharing giant has approached current or former officials from companies including Disney, Wal-Mart and CVS in a bid to revamp operations and bring discipline to its culture and CEO Travis Kalanick.

Why Trump Gets a 100-Day Review—When Others Don't

For many U.S. presidents, the 100-day mark hasn't been anything of note. Often times, the situation depends on the urgency of a new president's agenda and the balance of power in Congress.

Trump Order Encourages Veterans Affairs Whistleblowers

The White House announced a series of changes at the Department of Veterans Affairs, some launched by the department's secretary and one an executive order from the president himself.

Pentagon Opens Probe Into Flynn's Foreign Payments

The Pentagon's internal watchdog is investigating whether former national security adviser Mike Flynn violated the law by taking payments linked to foreign governments without permission after leaving the military, despite being warned against doing so. 662

'Skinny' Plans Can't Trim the Real Fat Under New GOP Health Bill: Experts

Republicans are proposing letting states opt out of the requirement that insurance plans cover a specific set of benefits, but experts say the items likely to be dropped account for a small fraction of the cost of premiums.
