Kinky Cakes: Inside The World Of Adult Bakeries

Bachelorette parties aren't the only source of business for bakers who specialize in racy confections. Think divorces, vasectomies, breast implants, military deployments and even funerals.

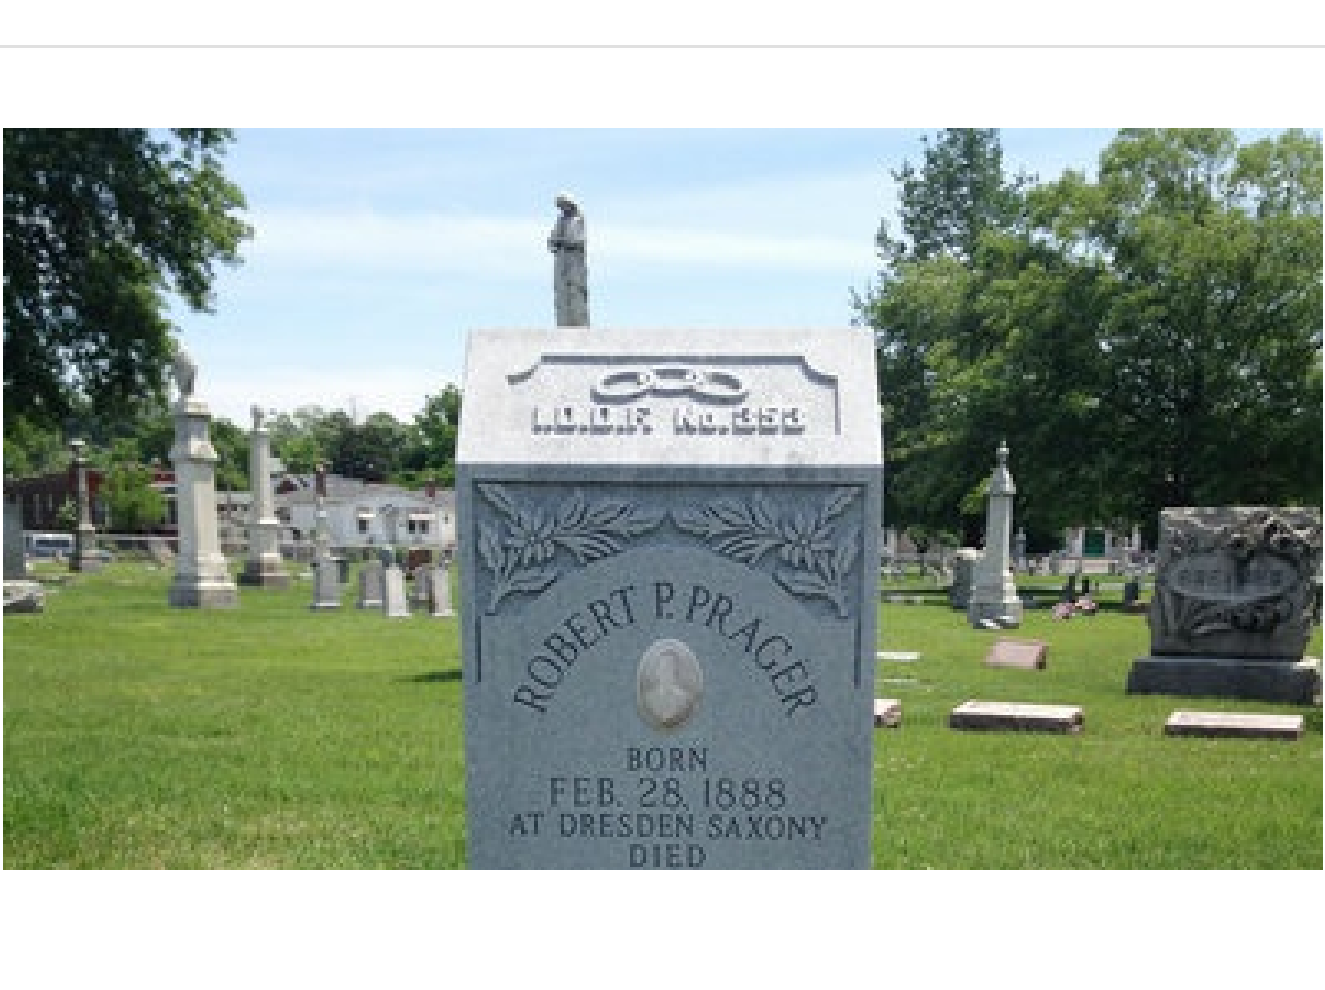

HISTORY

During World War I, U.S. Government Propaganda Erased German Culture

As the U.S. entered World War I, German culture was erased as the government promoted the unpopular war through anti-German propaganda. This backlash culminated in the lynching of a German immigrant.
