## Door closing for Republican stealth assault on regulation

WASHINGTON - The clock began running out this week on a strategy that has provided Republicans in Congress with their only notable legislative successes this year: aggressive use of an obscure law known as the Congressional Review Act.

- Factbox: Republicans kill Obama-era regulations
- McConnell starts clock ticking to Gorsuch showdown

## Any check on North Korea has to involve China: U.S. general

Any effort to curb North Korea's weapons program will need to involve China, a senior U.S. military official said on Tuesday, just days after President Donald Trump said Washington might deal with Pyongyang's nuclear and missile programs on its own if need be.
