

French Vote Stems Nationalist Tide

Emmanuel Macron was elected president of France in a victory for a political newcomer who campaigned on promises to reform France's heavily regulated economy and fight a tide of nationalism sweeping the European Union. 1388

France has elected pro-European Union centrist Emmanuel Macron to be its next president. The 39-year-old political novice defeated far-right candidate Marine Le Pen.

Macron Set to Clash With Rivals on World Stage

French President-elect Emmanuel Macron, a consummate internationalist, heads into office primed for clashes with two nationalist rivals: U.S. President Donald Trump and Russian President Vladimir Putin.

Macron's 'New Deal' for Europe Faces Old German Doubts

Emmanuel Macron's big idea for Europe is to deepen the euro currency union. But to get what he wants he will first have to convince a skeptical Germany.

Chinese-North Korean Venture Shows How Much Sanctions Can Miss

A state-owned Chinese firm and a North Korean company blacklisted for its involvement with weapons of mass destruction had a partnership for nearly a decade to mine for minerals useful in missile production; the Chinese company says the partnership never did much.

White House Presses Insurance Woes in Health Fight

The White House is hoping to harness insurance-market woes in some states to help lift the GOP's health-care measure over the remaining hurdles in Congress. 71
